

# Heritage Resources Centre's Heritage Conservation Districts Workshop March 24<sup>th</sup> & 25<sup>th</sup>, 2012

## What will the workshop cover?

This workshop will cover the basics, including what a Heritage Conservation District is and the steps necessary to develop one. We will use examples from around the Province to discuss best practices used for implementation and monitoring. Drawing on the experience of a local HCD, we will examine potential changes to districts and how to manage them. Part of this workshop will be a hands-on group activity that will allow participants to develop practical, real world knowledge.

## Goals of the workshop:

- To provide a second level of training in Heritage beyond the Heritage Planning Workshop
- To create awareness and understanding of the theory of Heritage Conservation Districts
- To share best practices in the implementation and management of Heritage Conservation Districts
- To provide an opportunity for the application of Heritage Conservation Districts
- To empower both professionals and citizens by encouraging engagement, co-operation and team work

**Dates:** March 24<sup>th</sup> & 25<sup>th</sup>, 2012

**Times:** 10am - 4pm

**Location:** Stratford - University of Waterloo Stratford Campus  
(6 Wellington Street)

## FEES:

The workshop fee for practicing planners and other concerned citizens will be **\$225\***. This price will include lunch and snacks on both days of the workshop.

\*HST is included

People with limited resources can contact the Heritage Resources Centre to see if a workable alternative can be reached.

## VERIFICATION OF ATTENDANCE:

Practicing planners and other stakeholders interested in heritage will receive a Verification of Attendance form.
