DANA PORTER LIBRARY (LIB)

You’ll find the best books in our campus sandstone landmark, located at the heart of campus. Dana Porter, our largest library, is one of the best benefit society in countless ways. In Dana Porter you’ll find subject librarians, places for help with your research and offers lots of quiet study space. Grab a snack in the coffee shop and then head off to find subject librarians, study rooms, or take book collection and more.

SOUTH CAMPUS HALL (SCC)

Show the world your black and gold with your new Warriors clothing. Grab a coffee, have a chef prepare your lunch, become the next J.K. Rowling at the Writing Centre or load up with the latest books – for class or for fun.

CENTRE FOR ENVIRONMENTAL AND INFORMATION TECHNOLOGY (ETI)

Go underground in a replica mining tunnel, search for dinosaurs or gain a new perspective on the Great Lakes. Elsewhere on campus, anatomy and language labs, a student design centre, a fine arts studio and more help students get valuable hands-on experience.

MIKE & OPHELIA LAZARIDIS QUANTUM-NANO CENTRE (QNC)

Beautiful Silicon Valley – welcome to Quantum Valley! The next technological revolution is science of the incredibly small: atoms, electrons, photons and other inhabitants of the nano-scale world. The research here will transform technology and lead to quantum computers, quantum devices and nanotechnologies that will benefit society in countless ways.

Self-guided Campus Tour

Gather the crew, show your stack and go with your new Warriors clothing. Grab a coffee, have a chef prepare your lunch, become the next J.K. Rowling at the Writing Centre or load up with the latest books – for class or for fun.

William H. Tatham Centre for Co-operative Education and Career Action (TC)

We can’t guarantee you’ll become a billionaire, but we can’t rule it out either. Named after a Waterloo grad who sold the business he started in his basement for $1.8 billion, the centre hosts thousands of co-op interviews each term. Career advisors can help any Waterloo student or alumnus identify their skills, research careers and prepare for graduate or professional school.
