**Author(s):** Write the authors last name, followed by a comma, then a first and sometimes middle initial. If there is a second author, use an "&" sign, and the same format for the second authors name. End this section with a period.

**Date:** Write the year in which the journal was published in brackets, followed by a period.

**Article Title:** Write the title of the article, followed by a period. Only capitalize the first letter of the first word and any proper nouns.

**Journal:** Write the title of the journal in italics, followed by a comma. Capitalize the first letter of each word.

**Volume/Issue:** Write the volume number for the journal. Only include the issue number if the issue begins on page 1. If the issue doesn’t begin on page 1 (as in the example), write the volume number for the journal, followed by a comma. If the issue begins on page 1, write the volume number, followed by the issue number in brackets and a comma after the brackets. *(change to separate vs. continuous pagination)*

**Page Numbers:** Write the page range followed by a period.
