SECTION 2: DISCLOSURE OF DIAGNOSIS

Note: You are **NOT** required to disclose your *medical diagnosis* in order to receive accommodations and supports, but a diagnosis may be required to establish eligibility for specific supports (e.g. funding). While the provision of a specific diagnosis is voluntary, AccessAbility Services does require verification of the nature of your disability and, more importantly, the functional limitations within your academic environment. AccessAbility Services will use this information to establish appropriate accommodations and supports for you at the University of Waterloo.

- I consent to disclose my diagnosis and will direct my regulated health care practitioner to fulfill this request.
- I do not consent to disclose my diagnosis. However, I am aware that my regulated health care practitioner will identify my functional limitations.

SECTION 3: CONFIDENTIALITY & AUTHORIZATION FOR RELEASE OF INFORMATION

Information provided in this form, including any medical diagnosis(es), is kept **strictly confidential**. It is not shared with anyone outside of AccessAbility Services, including with other university departments, without the expressed and written consent and/or direction of the student.

By signing below, I give consent for the University of Waterloo AccessAbility Services to contact the service provider who completed this form to discuss information provided in this document, if necessary, to clarify information regarding functional limitations or if there are questions related to my application.
