

Participants Invited to do Handwashing Study

Eligibility

18+ years old and ANY of the following persistent experiences:

- Concerns with dirt, germs, or contamination
- Washing your hands for longer and/or more frequently so that it can get in the way of things or feels excessive
- Identify as having Obsessive Compulsive Disorder (OCD) and you identify with one of the above bullet points

Participation Details

- Contact anxiety@uwaterloo.ca with the heading "handwashing study" to schedule a 15-30 minute phone call to determine eligibility
- If eligible, you will come to the UWaterloo campus to participate in a study where you rub dirt on your hands then wash them while being recorded (only your hands and lower body will be visible).
- Participation in the handwashing study will take around 30 minutes

Eligible participants will receive **\$20 cash** for their participation!
