## WATERLOO ARCHITECTURE | ALUMNI ISSUE 8 - MAY 2024

### DIRECTOR'S UPDATE

Dear [Preferred Name],

As we move into spring, I am happy to share our many opportunities to connect with our alumni. Waterloo Architecture is hosting alumni receptions from coast to coast in May and June, with events in [Vancouver](#), [Toronto](#) and [New York City](#). *Onsite*, the 2024 *MasterWorks* exhibition showcasing recent graduate work activates Riverside Gallery. Our *Annual Student Awards Ceremony* takes place in June, while the popular *Paths to Practice: co-op employer networking event* is returning in the fall.

On November 1 and 2, we welcome all alumni to a two-day celebration to mark the [20th Anniversary of our Cambridge Campus](#). We hope you can join faculty, staff and students for an engaging series of activities, including a community open house, an Arriscraft Speaker Series lecture, the Ron Sims Purchase Prize exhibition at our Riverside Gallery, a Waterloo Architecture Retrospective display and an evening reception.

Registration for the celebration taking place at our Cambridge Campus will open soon. In the meantime, please save the date to join these exciting events celebrating 20 years in Cambridge!

I look forward to seeing you at one of our upcoming alumni events.

Warmly,

Maya Przybylski  
O'Donovan Director  
Waterloo Architecture
