LAURENCE CUMMINGS LECTURE THEATRE

UNIVERSITY OF WATERLOO
SCHOOL OF ARCHITECTURE
7 MELVILLE ST. SOUTH
CAMBRIDGE ONTARIO N1S 2H4

Featuring Indigenous and non-Indigenous educators and scholars, this symposium addresses issues of place making, acquisition of embodied knowledge through design and hands-on making, and Indigenous conceptions of space and narrative. Discussions will examine key questions of collaborative research, related to decolonization and reconciliation, that are a focus of the Waterloo Architecture Design Build Program, building connections between academic research and educational practice, through engagement with First Nations communities.
