

Waterloo Architecture Student Award in Community Studies

Program: Engineering→Architecture

Enrollment year: Enrolled in any year of the Bachelor of Architectural Studies or Master of Architecture program.

Award description:

An award, valued at \$1,000, will be awarded annually to a full time undergraduate or graduate student enrolled in any year in the School of Architecture. Selection is based on research or a project that profiles, researches, explores, and/or works to develop solutions for a not-for-profit organization and/or charity located in the City of Cambridge. In the application, students should clearly identify at least one local not-for-profit or charitable organization that either directly or indirectly ties into their research. Interested students must submit an application that can be found on the School of Architecture website, by the deadline advertised. This fund is made possible by donations from corporate partners, alumni and friends located in, or with strong connections to, the City of Cambridge.

Value: \$1000

Eligibility & selection criteria:

Selection to be based on excellence demonstrated in a project that profiles, researches, explores, and/or works to develop solutions for a not-for-profit organization and/or charity located in the City of Cambridge. Students should clearly identify at least one local not-for-profit or charitable organization that either directly or indirectly ties into their research.

Application/nomination process type: Project Submission

Award deadline:

April 30 each year
