Render of the future artwork in Cambridge by Daily tous les jours

Daily tous les jours is an art and design studio located in Montreal that combines technology, storytelling, performance and placemaking to reinvent living together. We invite humans to play a critical role in the transformation of their environments to help build more resilient cities.

Responsibilities:

- Monthly detailed inspections of 2 interactive artworks
- On-site maintenance when applicable
- Complete maintenance checklists
- Photo and video documentation
- Comfortable in a client-facing role

Cambridge, ON
May 2023 – May 2024
