Grant Proposals

Sociology Society Grant Proposal

Presentation:

• Tee’s for textbooks
• Trying to build a library open to all students (containing sociology course textbooks)
• Trying to figure out a cost efficient way to collect many textbooks
• For donating textbooks, you will get a t-shirt
• Or by donating $10, you will get a t-shirt
• Textbooks are expensive, the hope is that by doing this, many textbooks will be donated
• Looking for $157-$277 from ASU to pay for t-shirts so that student money goes right towards textbooks

Questions:

• What is stopping a student from taking a book from the library and not returning it?
  o Taking Watcard so that you could find them afterwards
• How is this different from reserves at the library?
  o Not all professors do that
  o This will be more accessible in that all students have to do is come to PAS where all textbooks will be
  o Also allowing more photocopying tan the library

• How are you going to advertise this?

Arts Student Union Council Minutes
March 8, 2016
- Campaigning to sociology and legal studies students directly in the classes
- Also using website and twitter accounts

- How are you going to decide which textbooks to get? As you will be unlikely to get all of them...
  - Will be determined through conversation with the department Administrative Assistant
  - Try to find which profs don’t really change their course requirements and beginning by stocking those

- Are you going to be holding set hours?
  - Yes, there will be set hours and a catalogue online for students to see what is available

Council Discussion:

- Not opposed to giving the money, they are also willing to do some fundraising to offset the costs
- Do we agree with $277 for the Sociology Society?
  - Yes.

**Motion:** That the council approve the above grant proposal.

First: Brandon Rad  
Second: Sociology Society

Oppositions: Alexa Fuentes Valdez  
Abstentions: N/A

**Vote:** Motion Carried

Resolved: The council approves the grant of $227 to Sociology Society.

• If you’re planning on doing swag and have any questions, feel free to come to us, we can help you

• Volunteer extravaganza from FEDs, will be sending out a link for you to sign up

• If you are working on constitution revamps, please send the changes to us for review after the approval of your exec team, we want to be able to support you in this process

• Elections – we are also willing to help – want to make sure that all policies are followed (timing of campaigning, etc.), please let us know if you need any clarification

• Please continue asking us questions, we are happy to help!

• Billing to ASU – a lot of things can be billed to ASU, just let us know ahead of time if you are going to be doing this, sometimes we may absorb the cost and pull it from your account later to make it easier, if you do decide to do this make sure that you include the society as well as ASU (don’t give them an account number – just bill to ASU)

• HeForShe was supposed to come today, but are going to be coming to the next meeting instead so that more representatives can come

• Next council is the last one of the term, if you have any administrative items outstanding please ensure that they are resolved by that date

Appendix A: Sociology Society Grant Proposal

Sociology Society Textbooks for Baseball-Tee’s grant proposal

Our society is trying to build out a method for keeping a relevant library of textbooks students in sociology courses could use. The library will be open to all students, and its aim is to hold all the course textbooks professors are using in any given semester.

Rather than purchase textbooks outright, we want to encourage students to donate used textbooks. Why purchase 10 textbooks for maybe $500 dollars, when we could get potentially get double the books or more for the same price by giving students branded clothing instead.

We are asking the ASU for a grant of anywhere between $157 dollars to $277 dollars to help cover our costs.

- Professors must have 10 separate nominations – cumulative over the years
- Students only need 5 nominations

**Presentation from EDGE: Experiential Education Certificate**

- EDGE is related to PD but a little bit different
- New certificate for students not in co-op
- Provide a framework for non co-op students to demonstrate their experiences
- Develop career building skills
- Lasts all four years of regular students years
- Helps obtain employment by helping articulate skills
- Helps identify career options after graduation
• It is 2.5 academic credit program (similar to global experience certificate)
• There is online work similar to PD1 but with more emphasis on career paths and self assessment
• Credits above and beyond the required degree credits as well as credits that count for the degree and the certificate
• Bulk of certificate is through the experience program
• Various options for courses
• Encapsulates what you learned and the skills you’ve gained through university
• Questions?
  o Would you help students find the opportunities?
    ▪ There would be a database showing what could count for the credits
  o How many courses will be cross-listed vs. additional?
    ▪ Not sure yet
    ▪ It is an opt in program, all people are exposed to it if they are in the course but they don’t have to use it towards the certificate
  o When would be the last chance to opt in to this program?
    ▪ You need to have three terms or so left

• Sold tickets for $20 for students and $30 for nonstudents

  o Sold more tickets than predicted causing higher costs than predicted

**Waterloo DECA Grant Proposal**

Presentation:

- DECA is a business case competition
- Conference is hosted annually – 3 days and 2 nights
- Bring speakers from all over the province
- Aiming for 120 delegates across the province (50% will be from Waterloo)
- Applications are now closed, 10% were non AFM arts students
- With sponsors, there is still a loss of $200
- Asking for $800 to offset debt and student fees
- Various categories to appeal to various interests
- Builds skills and networking

Questions:

- What is miscellaneous?
  - Prizes, unaccounted costs, speakers
- ASU contacted DECA several times to have you pick up funding but the cheque has not been picked up, why is that?
  - We were not aware of a cheque waiting for us
- How many arts students including AFM?
  - 70%
- Would our money only go towards arts students?
Yes, those not even in AFM – focusing on the rest of arts

Council Discussion:

• Asking for $800 – subsidy of $600 will cover offsets but $200 would go towards students
• Is the extra $200 really going towards student fees if tickets have been purchased?
• Want to make sure this is truly benefitting arts students, not going to something like medals
• Have them come back once they’ve picked up the money we already waiting for them – do they really need the money if they could ignore the cheque?
• They could get the money they have waiting for them already
• There are a lot of variables moving around, we can not say with confidence that the money will be used to benefit arts students
• They can reapply for grant if they still need money after the previous grant is accepted
• Miscellaneous funding is alarmingly high
• Could the person in charge of finance come back and present?
• Come back when they have more information and have picked up funding

Motion: That the council approve the above grant proposal.

Oppositions: All present societies and executive members

Abstentions: N/A

Vote: Motion Denied

Resolved: DECA is to come back with more information at a later date. All present societies and executive members, with no abstentions, approved this.
