

Arts and Business Recommended Course Sequence

For students who are following an Arts and Business calendar year between 2012 and 2016, this is your recommended course sequence. While this sequence is recommended, there is flexibility in when you take these courses. Please contact your Arts and Business advisor if you have specific course sequencing questions.

In addition to the courses below, all ARBUS students will also have courses required for their major. Please contact your major advisor if you have questions about the sequence of the courses required for your major.

What is my calendar year? The year you started in Arts and Business (example: Fall 2016 start = 2016-2017 calendar year).

Arts and Business REGULAR

YOU CAN ALSO STUDY IN SPRING: Students in the Arts and Business Regular program can also take Spring term courses if desired. The Spring term does not need to be an “off” term.

YOUR CORE SEQUENCE AND FLEXIBILITY: ARBUS 200, ARBUS 300, and ARBUS 400 must be taken in sequence and cannot be taken in the same term. You should plan accordingly to take these classes in the correct order. ARBUS 300 may be taken in 3A, 3B, or 4A.

* **YOUR REQUIRED STATS COURSE:** Students in some majors will NOT take ARTS 280, and will instead take the statistics course required for your major: Economics (ECON 221), Legal Studies (option to take LS 280 in place of ARTS 280), Political Science (take PSCI 314 or ARTS 280), Psychology (PSYCH 292), Sexuality, Marriage and Family Studies (SMF 220), Social Development Studies (SDS 250R), and Sociology (SOC 280).

YOUR REQUIRED ARBUS ELECTIVE: One of HIST 113, HIST 243, or PSCI 231 is required. It is recommended that it be completed by the end of 3B. The actual term you take this course will depend on the offerings.
