

## Arts and Business Recommended Course Sequence (2017 onward)

For students who are following an Arts and Business calendar year beginning Fall 2017, this is your recommended course sequence. While this sequence is recommended, there is flexibility in when you take these courses. Please contact your Arts and Business advisor if you have specific course sequencing questions.

In addition to the courses below, all ARBUS students will also have courses required for their major. Please contact your major advisor if you have questions about the sequence of the courses required for your major.

**What is my calendar year?** The year you started in Arts and Business (example: Fall 2017 start = 2017-2018 calendar year).
