The School of Accounting and Finance in the Faculty of Arts at the University of Waterloo invites applications for a two-year definite term position at the Lecturer level, for an appointment beginning April 1, 2019. The School requires a candidate who can teach a variety of courses in data analytics and technology in an accounting/finance environment, assist with broader School activities, and assist with outreach activities to alumni and industry. The individual should be knowledgeable and have practical experience in data analytics in industry and/or financial services. Duties include teaching, course coordination, program development, outreach activities, and administration.

A graduate degree in accounting, finance, management, or education is desirable. While not required, previous teaching experience in a post-secondary institution and relevant industry experience are all assets.

Our award-winning faculty includes active researchers using empirical, experimental, and analytical techniques to study a broad spectrum of accounting and finance issues. Our faculty members serve on the editorial boards of leading scholarly journals. The School's collaborative environment encourages faculty members to help each other reach their maximum potential. Our highly regarded undergraduate and graduate programs attract top students. For details about our faculty and programs please visit: http://saf.uwaterloo.ca. The University of Waterloo consistently ranks as a leading comprehensive university in Canada and an innovator in education and research. It is located in Waterloo, Ontario, Canada, a one-hour drive from Toronto, Canada's financial and cultural capital.

Interested candidates are required to complete an on-line application at https://arts-ofas.uwaterloo.ca/saf/.

Based on qualifications, a salary range of $80,000 to $110,000 will be considered. Application deadline: October 31, 2018.

The University of Waterloo respects, appreciates and encourages diversity and is committed to accessibility for persons with disabilities. We welcome applications from all qualified individuals including women, members of visible minorities, Aboriginal peoples and persons with disabilities. All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority in the recruitment process.
