CENTRE FOR BIOENGINEERING AND BIOTECHNOLOGY

CBB SERVICES INCLUDE: PROJECT MANAGEMENT, RESEARCH SUPPORT, FOSTERING INTERDISCIPLINARY COLLABORATION, ENABLING COMMUNICATIONS, AND DELIVERING TRAINING

INFORMATION

• 173+ faculty researchers
• Engaging all 6 faculties at UW
• Engaging 21 departments at UW
• 6 university research chairs
• 1 NSERC research chair
• 12 Canada research chairs
• Experienced at working with industry
• World-class expertise
• Multidisciplinary research and lab facilities

APPLICATIONS

• Aging
• Balance, motor control, and biomechanics
• Cancer
• Data science
• Environmental biotechnology
• Healthcare systems
• Industrial biotechnology
• Neurodegenerative diseases
• Targeted drug delivery
• Wearable devices
