

Pizza With The Profs

Wearable Sensors for Fall Prevention: Promises and Pitfalls

Wednesday, February 10, 2016

12 pm – 1 pm

Sun Life Town Hall

First Floor

Freeport Hospital

GUEST SPEAKER

[James Tung, PhD](#)

Assistant Professor

Mechanical and Mechatronics Engineering

University of Waterloo

Abstract

Professor James Tung will present his research group's work concerning rehabilitation engineering and assistive technologies in the area of fall prevention.

"Pizza with the Profs" sessions are held the second Wednesday of the month to promote the exchange of information between the clinical and academic communities. UW researchers are eager to learn about clinical problems from the Grand River Hospital community. Clinical staff at Grand River Hospital have the opportunity to provide input on academic research to address their clinical needs. The sessions include a short presentation by a University of Waterloo researcher, an informal Q & A and discussion and of course... PIZZA!

More Information? See cbb.uwaterloo.ca/events

Questions? Please contact Chekema Prince (cprince@uwaterloo.ca) at UW or Sarah Laferriere (sarah.laferriere@grhosp.on.ca) at Grand River Hospital.

This event is sponsored by Freeport Hospital and the Centre for Bioengineering and Biotechnology at the University of Waterloo.
