

CENTRE FOR BIOENGINEERING AND BIOTECHNOLOGY

CBB SERVICES INCLUDE: PROJECT MANAGEMENT, RESEARCH SUPPORT, FOSTERING INTERDISCIPLINARY COLLABORATION, ENABLING COMMUNICATIONS, AND DELIVERING TRAINING

INFORMATION

- 173+ faculty researchers
- Engaging all 6 faculties at UW
- Engaging 21 departments at UW
- 6 university research chairs
- 1 NSERC research chair
- 12 Canada research chairs
- Experienced at working with industry
- World-class expertise
- Multidisciplinary research and lab facilities

APPLICATIONS

- Aging
- Balance, motor control, and biomechanics
- Cancer
- Data science
- Environmental biotechnology
- Healthcare systems
- Industrial biotechnology
- Neurodegenerative diseases
- Targeted drug delivery
- Wearable devices
