

Pizza With The Profs

Virtual reality: Applications in medical rehabilitation

Wednesday, April 13th, 2016
12 pm – 1 pm
Sun Life Town Hall, First Floor
Grand River Hospital Freeport Campus

GUEST SPEAKER

Shi Cao, PhD

*Assistant Professor
Systems Design Engineering
University of Waterloo*

Abstract

Shi Cao will present his research group's work concerning the role that virtual reality can play in medical rehabilitation.

"Pizza with the Profs" sessions are held the second Wednesday of the month to promote the exchange of information between the clinical and academic communities. UW researchers are eager to learn about clinical problems from the Grand River Hospital community. Clinical staff at Grand River Hospital have the opportunity to provide input on academic research to address their clinical needs. The sessions include a short presentation by a University of Waterloo researcher, an informal Q & A and discussion and of course... PIZZA!
