

Pizza With The Profs

Space to Earth: How spaceflight research helps with fall prevention

Wednesday, September 14th, 2016

12 pm – 1 pm

Sun Life Town Hall, First Floor

Grand River Hospital Freeport Campus

GUEST SPEAKER

Kathryn Zuj, PhD

Postdoctoral Fellow

Faculty of Applied Health Sciences

University of Waterloo

Abstract

“Pizza with the Profs” is back this Fall with more sessions and great talks ahead. This month Kathryn Zuj will present her research group’s work concerning the translation of research conducted in space to the prevention of falls on Earth.

“Pizza with the Profs” sessions are held the second Wednesday of the month to promote the exchange of information between the clinical and academic communities. UW researchers are eager to learn about clinical problems from the Grand River Hospital community. Clinical staff at Grand River Hospital have the opportunity to provide input on academic research to address their clinical needs. The sessions include a short presentation by a University of Waterloo researcher, an informal Q & A and discussion and of course... PIZZA!

If you would like to attend, please [RSVP via Eventbrite](#)

More Information? See cbb.uwaterloo.ca/events

Questions? Please contact Chekema Prince (cprince@uwaterloo.ca) at UW or Sarah Laferriere (sarah.laferriere@grhosp.on.ca) at Grand River Hospital.

This event is sponsored by Grand River Hospital and the Centre for Bioengineering and Biotechnology at the University of Waterloo.
