

Pizza With The Profs

Stroke Rehabilitation Robot: Modeling and Control

Wednesday, October 12th, 2016

12 pm – 1 pm

Sun Life Town Hall, First Floor

Grand River Hospital Freeport Campus

GUEST SPEAKERS

Borna Ghannadi

PhD Candidate

Systems Design Engineering

University of Waterloo

John McPhee, PhD

Canada Research Chair in

System Dynamics

Systems Design Engineering

University of Waterloo

Abstract

“Pizza with the Profs” this month will focus on stroke rehabilitation. Professor John McPhee and his group will present their latest development of a stroke rehabilitation robot, which assists a patient performing reaching exercises and support the efforts of physiotherapists and occupational therapists.

“Pizza with the Profs” sessions are held the second Wednesday of the month to promote the exchange of information between the clinical and academic communities. UW researchers are eager to learn about clinical problems from the Grand River Hospital community. Clinical staff at Grand River Hospital have the opportunity to provide input on academic research to address their clinical needs. The sessions include a short presentation by a University of Waterloo researcher, an informal Q & A and discussion and of course... PIZZA!

If you would like to attend, please [RSVP via Eventbrite](#)

More Information? See cbb.uwaterloo.ca/events

Questions? Please contact Chekema Prince (cprince@uwaterloo.ca) at UW or Sarah Laferriere (sarah.laferriere@grhosp.on.ca) at Grand River Hospital.

This event is sponsored by Grand River Hospital and the Centre for Bioengineering and Biotechnology at the University of Waterloo.
