

Intent to apply for 3rd year in Conestoga Biotechnology Technician Program

Waterloo student identification number _____

Last name _____ First name _____ Middle name(s) _____

Program/Plan (check one):

- Honours Biology, Regular
 Honours Biology, Co-op
 Honours Biomedical Sciences

Waterloo email: _____

Contact phone number: _____

I request permission to enroll at Conestoga College in the 1-year Biotechnology Technician Program.

Notes:

1. I understand that I **should not** apply for this program through OCAS until I have been notified of my eligibility for this pathway.
2. Eligibility and admissibility for this pathway is conditional upon and will include consideration of my winter term 2nd year final grades.

I hereby grant both the University of Waterloo and Conestoga College access to my student records at both institutions in order to administer this pathway.

Student Signature

For Department Use:

Waterloo confirmation of student eligibility

This document serves as official notification that the above named student is eligible to undertake studies in Conestoga College's 1-year Biotechnology Technician Program for the 20__ - 20__ academic year.

The above named student meets the following admission requirements as outlined in the pathway agreement:

- Is in satisfactory academic standing (60% Honours Biology; 65% Honours Biomedical Sciences)
- Student has no fails or incompletes in any courses
- Student is currently enrolled in or has completed BIOL 241 (Applied Microbiology)
- For co-op students, Co-operative Education has confirmed the student is on co-op in Winter term
