

Biology 499A/B

Procedures for Registration in Fall 2020 for Biology 499A/B

How to enroll in Biology 499 A/B for **Fall 2020/Winter 2021** Term Competition.

- Print out and complete the “Application to Enroll in Biology 499” form or visit Jeannie Redpath-Erb (B1 381) or Sue Whyte (ESC 351C) in the Biology Undergraduate Office (hard copies available). Note: “GPA” refers to the averages listed in your UWaterloo academic record; you do not have to calculate a GPA value.
- List the preferred supervisor(s) but do not obtain their signature(s).
- On page 2 of the application form submit a paragraph explaining why you would like to enroll in Biology 499 A/B.
- Once the application form and paragraph are completed, return them to the Biology Undergraduate Office in B1 381 or ESC 351C. (Via email is fine if you are on a work term and not on campus). **Due to the outbreak of COVID19, please email all applications to jredpath@uwaterloo.ca or sdwhyte@uwaterloo.ca or slolle@uwaterloo.ca**

BIOL 499A/B Information Session is scheduled for **Tuesday, February 4th, 2020** from **5:30-6:20 pm** in **B1 271**.

The **Application Deadline** for students beginning the course in the **Fall 2020** is extended to **Friday, March 27th, 2020**.

You will be contacted regarding your acceptance status during the Spring term (May-June).

The Undergraduate Administrative Coordinator in the Biology Office will register successful applicants for BIOL 499A/BIOL 499B during the drop/add period (Quest will not allow you to self-enroll for BIOL 499A/BIOL 499B).

Applications from students wishing to enroll after the deadline, or for terms other than **Fall 2020/Winter 2021**, will be considered on an ad hoc basis. Contact Dr. Susan Lolle (B2 352A) if further information is needed.
