e) You must not have had previous significant behavioural issues in residence and/or have previously been evicted or banned from living in Campus Housing. Assessment of significant behavioural issues is at the discretion of Residence Life Management.

1.2 Change in student status

Eligibility to live in residence is strictly adhered to. Please note, any change in your student status may affect your eligibility to live in the Columbia Lake Village Graduate community. If you are living at Columbia Lake Village and are no longer an active (inactive term), full-time student for any reason, you must notify your Residence Life Co-ordinator immediately. If you are requested by the University to do so, you are required to vacate your unit no later than 30 days after the termination of your status as a full-time UWaterloo student.

2.0 Residence contract

2.1 Contract period

Your residence contract is for one-term (four months) and is renewable. The contract generally begins on the first day of the month and ends on the 29th of the month of the contracted term. You are expected to vacate your assigned room and leave residence by 10 am on the 29th of the month of the contracted term, unless you accept a renewal contract for the consecutive calendar term.

2.2 Renewal of contract

Your residence contract is renewable for the next consecutive calendar academic term. Renewal offers are sent out approximately 2-6 weeks after the beginning of a term for the next consecutive term via email.

2.3 Contract Deadlines

The deadline to accept and return your residence contract or renewal offer is indicated in your offer. Deadlines are strictly adhered to.

2.4 Election note

In the event of an election during the term of this contract, we will provide the appropriate agency responsible for conducting the election with verification of residence. If you do not wish to have your residence verified with such bodies, you must advise Campus Housing in writing within the first two weeks of the start of this contract.

2.5 Termination

This Agreement may be terminated by the University of Waterloo due to the breach of this Agreement, the residence contract, or any policy, rule or regulation of the University of Waterloo by the Student. In
the event of such termination, the Student will be required to immediately move out of the residence room, and the Student shall forfeit any and all fees paid by the Student in accordance with this Agreement.

If this Agreement is terminated during the Term, then the student shall vacate the room in residence within 48 hours of delivery of notice of termination in writing.

2.6 Single Graduate Consultative Council

The Single Graduate Student Consultative Council serves as a forum for single graduate students to share their thoughts, feedback, and concerns surrounding issues relating to their living accommodations in Campus Housing.

The Single Graduate Student Consultative Council meets a minimum of once per year to consult on all major issues. Feedback forms, such as Door Knocking Campaigns or virtual forms, in the Graduate Community are also carried out twice a year to consult with students.

Membership is comprised of UWaterloo students who have signed single graduate student resident contracts. Students are encouraged to participate.

3.3 Deposits and initial payments

Deposits are initial payments received by the Department of Housing and Residences and are nonrefundable and cannot be applied to a later application.

3.4 Payment of fees

You must pay your residence fees in full, together with other UWaterloo charges for tuition and meal plans, prior to the Finance due date. For a list of due dates, visit: www.uwaterloo.ca/finance/student-accounts/due-dates-late-fees.

Refer to the information on your Quest account summary for payment details and options. You may also track your UWaterloo finance charges and adjustments on the Quest website at www.uwaterloo.ca/quest

3.5 Refunds

In the event of a refund being granted, values are calculated on a pro-rated daily rate from the start date of your residence contract until the vacancy caused by your cancellation is filled by another student not currently living in residence. Any refund on residence fees are credited to your university account, less an administration fee of up to $500.

No refunds are given during the last 30 days of any term. To request a meal plan refund, contact the WatCard office directly. If you have no outstanding charges, you will be eligible for a refund. Refunds are issued to your Quest account from the Department of Finance at the University of Waterloo.

3.6 Tax receipts

Residence fees cannot be claimed as rent for income tax purposes. Under the Income Tax Act, Universities are exempt from paying municipal property taxes.

Currently, the Income Tax Act stipulates that all students living in designated university (tax-exempt) student residences are limited to an Ontario Energy and Property Tax Credit claim based on an occupancy cost of $25 for the time they live in a student residence. Therefore, the maximum amount that can be claimed for income tax purposes is $25, subject to amendments to the Income Tax Act and related regulations from time to time.

4.0 Withdrawal and termination

4.1 COVID-19 Pandemic Relief

Increased flexibility is available for students because of public health adjustments and uncertainty caused by the COVID-19 global pandemic. For the fall 2021 academic term, and at the discretion
of University, should specified pandemic restrictions be maintained through winter 2022 and spring 2022, Students are able to cancel their residence contract following these guidelines:

Students are able to cancel their residence contract following these guidelines:

- Students complete a cancelation form (https://uwaterloo.ca/housing/fees-contracts/withdrawal-cancellation). The residence contract will be canceled, noting the initial deposit will be forfeited.
- Students on an academic student permit complete a cancelation form (https://uwaterloo.ca/housing/fees-contracts/withdrawal-cancellation). The residence contract will be cancelled and the initial deposit will be fully refunded.
- Once a student arrives they may cancel their residence contract at any time by completing a cancelation form (https://uwaterloo.ca/housing/fees-contracts/withdrawal-cancellation). The student will be assessed a $500 cancelation fee and charged a daily room rate.
- Any remaining pre-paid fees will be credited back to the Student’s account (via Quest).

This COVID-19 Pandemic relief will remain in place to align with academic course delivery adjustments due to COVID-19 or until notification from Campus Housing. At that time, withdrawals and cancelations are subject to limitations in sections 4.2 through 4.8 below. This section 4.1 is still subject to the University’s right to terminate under section 4.6 below and if a Student receives a notice of eviction or termination of this Agreement, a Student cannot exercise an early cancellation right under this Section 4.1.

4.2 Financial responsibility

You are held financially responsible for the full residence fee as indicated in your contractual agreement and pursuant to this Agreement. If you withdraw from residence before the completion of your contract, you will be placed on our refund assessment list in order of withdrawal date. When a new student is confirmed into residence, a refund may be processed for the first student on the waiting list if Campus Housing reaches full occupancy. This process is based on filling the vacancy rather than filling the specific room type. If you find your own replacement who is not currently living in residence or has an active residence contract you will be eligible to receive a refund. There is no guarantee that a residence space can be filled, and the University of Waterloo shall not be obligated to take steps to fill vacant residence space.

4.3 Academic withdrawal pre-arrival

You will not be held financially responsible for your full residence fee if your offer of academic admission has been revoked by the University of Waterloo provided such revocation was not caused by your negligent actions or misconduct or if your application to defer an offer of academic admission has been approved by the Office of the Registrar. Approved deferrals after August 1, 2021 are subject to initial payments being forfeited. Students who are required to repeat, required to withdraw or intentionally withdraw from an academic program must forthwith contact Campus Housing and submit an appeal to the Campus Housing Fees & Contracts Appeals Committee for consideration.

4.4 Academic withdrawal post-arrival

Should you become "required to repeat" or "required to withdrawal" from your academic program, you will be financially responsible for your full residence fees. Students who have an academic offer changed or adjusted by the University of Waterloo are eligible for an appeal under academic grounds provided such change or adjustment was not caused by such student’s negligent actions or misconduct. Students must follow the appeals process outlined in section 4.8 Grounds for appeals.

4.5 Student cancellation

If you cancel your residence contract, you will be held financially responsible for your full residence fee. The Department of Housing and Residences reserves the right to collect payment for any outstanding residence room charges. If after moving into your room, you cancel your residence contract upon the decision to leave the University of Waterloo, decision to move off campus, anticipate a residence environmental conflict, or for any other reason based on residence
assignment, you will be held financially responsible for your full residence fee and placed on our refund assessment list.

4.6 University Termination of Contract

If you are evicted from residence or are required to leave the University of Waterloo due to behavioral issues, you will be held responsible for your full residence fee as per your contractual agreement and this Agreement. Campus Housing reserves the right to cancel a residence contract at any time for a breach of the residence contract or breach of any term or condition of this Agreement. No notice or opportunity to cure such breach shall be provided.

4.7 Exceptional circumstances

If you are unable to live in residence due to exceptional circumstances beyond your control you may submit a written appeal with supporting documentation to the Campus Housing Fees & Contracts Appeals Committee for consideration. You will remain responsible for the administrative fee should an appeal be approved.

4.8 Grounds for appeals

In the event your residence contract is terminated, by you or by the University of Waterloo, you may appeal the fees owed by submitting an appeal to the Campus Housing Fees & Contracts Appeals Committee. Grounds for an appeal include academic, medical, or compassionate. The appeal must be submitted within ten days of submitting the Withdrawal Form and/or vacating your residence room. The last date to submit an appeal for 2021-2022 academic terms is July 23, 2022.

5.0 Room assignment

5.1 Roommates

You can request preferred roommate(s) as part of your residence application

5.2 Room changes

Requests for fall term room changes will not be accepted after the University has completed room assignments. Room change requests will not be permitted until further notice, due to public health guidelines. Should a room change request be made as a result of increased residence fees (CMH Single), Campus Housing staff will work with Students for an alternative residence assignment where possible and, in a response to COVID-19, not increase residence fees as a result of a room change necessary for health and safety related to COVID-19.

If you experience roommate challenges, a process of discussing concerns with your roommate(s), mediation and genuine attempts to resolve the situation are expected. You acknowledge and agree that the University of Waterloo shall not be responsible for granting any room change and each request shall be reviewed on a case by case basis.

Transferring rooms may result in an additional charge and/or an adjustment in fees, including meal plan charges, depending on your new room type and location. Additional charges will be posted to your Quest account by the Finance Department. Failure to complete the room change can result in an additional charge. NOTE: Room changes are only completed under exceptional circumstances and without obligation of the University to make any changes arising from a request.

5.3 Subletting

Only you and your designated roommate (if applicable) may occupy your residence room. Your room and any other space in residence cannot be shared with, or sublet to, another person.

5.4 Special accommodations

If you have a disability or chronic medical condition, Campus Housing will make every effort to place you in a room that works best for you. AccessAbility Services will work in collaboration with Campus
Housing to place you in a room that accommodates your needs, but please give us prior notice and documentation so we can find the best fit quickly.

If you require specific accommodation due to a physical, sensory, environmental, medical, psychological, sleeping disorder, life threatening allergies, or learning disability related issue, you must contact AccessAbility Services at 519-888-4567, ext. 35082.

If you require accommodation due to your height (taller than 6’4” or 195 cm), please check the appropriate box on your residence application. We will attempt to place you in a room with a longer mattress (subject to availability).

Non-life-threatening allergies and serious dietary issues (i.e. peanut allergy) can be accommodated through room assignment. Dietary concerns such as gluten-free or lactose-free diets can be accommodated through specialized menu planning with Food Services

The University of Waterloo respects, appreciates, and encourages diversity. We are committed to fostering equitable learning and living environments for all students. Some residence accommodations have shared private or semi-private spaces. We use the gender that you have identified on University of Waterloo records to assist with your room assignment. If you have questions or concerns, contact Campus Housing at 519-888-4567 ext. 32679. We are committed to find the right fit for you in our community. Some of our on-campus partners such as the Equity Office, AccessAbility Service, Student Success Office, and The Glow Centre for Sexual and Gender Diversity may be able to assist us in finding a solution.

5.5 Contingencies

Although rare, facilities or services may become unavailable as a result of factors that are beyond the control of Campus Housing. Under such circumstances, and subject to Section 12.16, the University of Waterloo reserves the right to make assignments, provide alternative arrangements, or substitute services as the situation requires. In the event of larger than anticipated residence applications, high enrolment, or other factors beyond immediate control of Campus Housing, repurposing of spaces may occur. This repurposing may include, but not limited to, uses of lounges as self-contained residence rooms, increasing the initially intended occupancy for rooms, or using spaces not owned or operated by the Department of Housing and Residences. These room will be furnished and have similar expectations as all other residence rooms.

In the event that Waterloo must make decisions in the face of major disruptive events beyond its control, it will do so on the direction of relevant authorities, as appropriate, subject to Section 12.16. In some circumstances, students may be placed in alternative accommodations or housing arrangements until a regular room assignment becomes available. Campus Housing reserves the right to place limits on the number of residents to be reassigned in order to maximize space for new residents. New residents will be assigned to their preferred building to the extent possible. Failure to honor assignment preferences will not void residence contracts. Campus Housing reserves the right to change room or building assignments, assign roommates, and consolidate vacancies from time to time.

6.0 Move-in/move-out

6.1 Move-in

You will be emailed your move-in information prior to your move-in date. Please arrive on campus on your assigned date. Go to your residence building and check in at the residence Front Desk. There will be clearly defined volunteers and staff ready to assist you. You will be provided with your keys. Typical residence move-in dates occur on September 1 (fall term), January 1 (winter term), and May 1 (spring term)

6.2 Early arrival

General requests for early arrival in Graduate housing are not accommodated. Unique situations based on academic requirements may be explored through coordination with Campus Housing.
6.3 Late arrival
Failure to check into your room by 12 noon on the first day of classes each term will result in the
cancellation of your residence booking. Your initial payment will be forfeited, and you will be held
financially responsible for your full residence fee. Exceptions will be made for students who have
submitted an online Late Arrival Form.

6.4 Move-out
Should students choose not to accept their residence renewal, you are allowed to stay in your
assigned room until the 29th of the last month of the term. Students moving out of residence will be
required to vacate on December 29 (fall), April 29 (winter), or August 29 (spring). If you would like
to move-out earlier, you are welcome to do so. Upon vacating your assigned room, you are
responsible for removing all garbage and recycling from your room/suite. Not sure when you need
to move-out? You will receive official notification and move-out details via email. Room checks are
done by the student and residence staff, before the student moves out, to record any damages and
to confirm that everything is unplugged, garbage is emptied, and windows are closed. Should you
require an extension to this time, students must work directly with their Residence Life Co-ordinator
to make alternative arrangements.

6.5 Move-out – all students
Students accept financial responsibility for any missing furniture/fixtures, or any damages found in
the student’s personal or shared residence space (billed to student account).

Students also accept financial responsibility for any cleaning charges resulting from the student’s
personal or shared residence space being left in an unacceptable state of cleanliness, or garbage
or unwanted items left in the space (billed to student account).

7.0 Keys and locks

7.1 Keys
Your keys are your own responsibility. Do not lend your keys out or leave them where they may be
taken. You are strongly advised to lock your door when leaving your room. You are prohibited from
lending your assigned key(s) to any individual under any circumstance.

7.2 Lost keys
Lost keys should be reported immediately to your residence Front Desk. If you lose your key(s), a
spare one will be issued for up to 7 business days to allow you to find the original. If after 7
business days your key(s) has not been returned, you will be assessed a $100 fee to cover the
cost of a lock change. Roommates will receive a new key free of charge. If this happens more than
once, appropriate fees and or sanctions are at the discretion of the Residence Life Coordinator.

7.3 Returning keys
If you fail to return your keys at move out, you will be assessed a $100 fee to cover the cost of a
lock change.

7.4 Locks

immediately to the Maintenance Co-ordinator email account specific to that building. Extra locks of
any kind are not permitted on doors, windows or furnishings.

7.5 Room lockout
You are expected to keep your keys with you at all times. If you lock yourself out of your room, you
can get help from your residence Front Desk. If being locked out becomes a pattern of behaviour, you
will be expected to meet with your Residence Life Co-ordinator and disciplinary action, up to and including a fine, is possible.

7.6 University personnel entering rooms/suites

Authorized University of Waterloo personnel may enter your room or suite without prior notice for the following reasons: to ensure health, safety or general community welfare, to make repairs to your accommodations and the equipment servicing it, to inspect the condition of your room or suite, to silence an alarm or other noise within a living space that interferes with the reasonable enjoyment of the community, to reduce or prevent water damage during a flood or pipe burst, and to investigate compliance with and possible breaches of the terms and conditions. The Student agrees that the University of Waterloo staff, University of Waterloo appointed security guards, University of Waterloo Campus Police, or any person designated by University of Waterloo, the Residence Life Co-ordinator, and/or Residence Life Staff have the right to enter the room and the residence at any time, in performance of any of their duties.

If a resident requests a repair, a work order is created and will be considered authorization to enter the room. Except in the event of an emergency or safety related concern, notice of entry, other than a work order, will be provided 24-hours in advance.

Notwithstanding anything in this Agreement, minor repairs and/or maintenance requests made by you that do not interfere with your reasonable enjoyment of a residence room may be delayed or rejected to minimize physical contact of University of Waterloo employees and students in accordance with COVID-19 policies, guidelines, and procedures set by the University of Waterloo and applicable government authorities.

8.0 Residence facilities

8.2 Room Condition Form

You will be required to complete an online Room Condition Form. This form is retained by your residence office as a check against loss or damage to the room and its contents. Walk around your room and ensure every piece of furniture is accounted for. Also, look for any extra wear and tear the residence office should be aware of. (You won’t want to be on the hook for any extra repairs the day you move out).

In some circumstances, you and other students in your building or area may be held accountable for damage to that building or area.

The Student hereby agrees that the University of Waterloo and its employees, agents, directors, trustees, officers and members assume no responsibility for, and shall not liable for, any loss or damage to the Student's personal property or injury to person, however caused.

Common spaces within Residences have maximum occupancy restrictions, which may be reduced due to COVID-19 restrictions. These maximums are posted in each space and must be adhered to. Use of common spaces (lounges, central complex areas) are subject to Sections 11 (Residence Community Standards) and Section 13 (Rules and Regulations).

8.8 Asbestos in buildings

The University of Waterloo maintains an Asbestos Management Program, conforming to Ontario Regulation 278/02 – Designated Substance – Asbestos on Construction Projects and in Buildings and Repair Operations. Some Waterloo Residence buildings do contain asbestos. An up-to-date inventory of the presence of asbestos in buildings has been complete. Asbestos poses a health risk only when fibers are present in the air that people breathe. In the event of renovations, repairs, and construction the University adheres to strict regulations and legislation to protect everyone who works or lives in areas that may contain asbestos. The Safety Office offers ongoing support and maintains the policy to ensure the asbestos management program is followed in campus buildings.

8.9 Mold

Students are responsible to report issues with their room including the presence of mold and mildew. Should a student believe mold is present in the room, or common spaces, students must report this information to their residence facilities staff who will work towards resolving the issue. The presence of mold will not require a student to vacate or move residence assignments. Should the room condition or condition of common space affect a new or preexisting medically documented need, students must complete the Accessible Housing process to explore a room change if required [uwatertoo.ca/housing/applications/housing-accommodations](http://uwatertoo.ca/housing/applications/housing-accommodations)

9.0 Residence network

The residence network is a wireless and wired network that provides Internet and campus network access throughout residences. All areas of residence rooms are provided with a wireless Internet connection. Wireless access is provided in both the 2.4 GHz band, as well as the 5 GHz band. The wireless signal strength should be no less than -75 dBm on either wireless band. Network issues can be reported to the Residence IT Service Desk.

9.1 Misuse

The following are specific items that are considered misuse. They could result in immediate disconnection of your Internet connection without notice, and/or other sanctions as deemed appropriate by Residence Life staff.
• Uploading, downloading or sharing of any copyrighted materials including, but not limited to, movies, music, games, and software.
• Setting up of any server including, but not limited to, DHCP, SQL, FTP, WSeb, File and IIS.
• Scanning the network for any reason.
• Malicious hacking in any form.
• Sharing of any material deemed inappropriate or offensive.
• Tampering with or removing wireless access points in residence, or any other network hardware in residence.
• Any activity that degrades the performance, or impacts the security, of the network.
• Broadcasting a wireless network of any sort, including access point wireless printers.
• Spoofing, or imitating, any official University of Waterloo networks such as eduroam or uw-wifi-setup-no-encryption.

Problems arising from use for purposes other than those intended by the University of Waterloo will be seen as misuse. If you feel that ResNet does not meet your needs, you are welcome to arrange for an outside Internet Service Provider (ISP) at your own expense. Prior to arranging an alternative ISP, the Residence IT Service Desk should be consulted to ensure the required infrastructure exists. The University of Waterloo reserves the right to disconnect (without notice) any port if misuse is suspected. Misuse could ultimately result in disciplinary action up to and including eviction from residence and/or referral for academic disciplinary action. Commercial or criminal use of network resources is strictly prohibited, as is any use that may impact the performance of the network. Students are expected to comply fully with both the letter and the spirit of the law with respect to copyright and patents and thereby honour intellectual property rights.

9.2 Security

You are expected to ensure that your network-connected device is secure and does not pose a risk to yourself or others. Up-to-date virus protection is essential. The University of Waterloo will not be held responsible for damage, or data loss, to any network connected device that is vulnerable in any way. Developments that pertain to information technology may change from time to time, and you are expected to abide by these policies. Please visit uwaterloo.ca/housing/technology on a regular basis to stay up-to-date.

9.3 Network Limitations

The residence network is an enterprise grade network that has security features enabled which are incompatible with some devices. Devices that rely on the ability to communicate with each other over the network (inter-client communication) will not function on the network; some examples of these devices are Chromecasts, wireless printers, wireless speakers, smart home accessories, etc. Devices that do not support WPA2-Enterprise encryption can be whitelisted to connect to uw-wifi-setup-no-encryption on a case by case basis. Uw-wifi-setup-no-encryption is an unencrypted network; users of this network are advised to practice caution in which traffic is sent over this network, and the University of Waterloo assumes no responsibility for any data loss or device vulnerability caused by use of this network.

10.0 Cleaning and maintenance

10.1 Cleaning

You are responsible for maintaining an acceptable level of cleanliness. This expectation is not only for your residence room, but is extended to all common areas in residence including TV areas, game rooms, washroom facilities, cafeterias, etc. Residents are to use the garbage and recycling containers provided. If you live in a suite-style/townhouse accommodation, it is your responsibility to ensure that
your unit's common areas, washroom facilities and appliances provided are properly maintained and cleaned on a regular basis.

You are expected to clean your room/unit prior to leaving at the end of term. Any damage beyond normal wear and tear or any excess cleaning required by the Campus Housing staff will be billed to the resident(s).

10.2 Pest control

Campus Housing has an established and successful procedure for the unlikely event that a case of bedbugs is confirmed. We will work closely with any resident who suspects that bedbugs may be present in their room. This includes testing and if applicable, treatment. Students who suspect a case of bedbugs should immediately notify their Residence Front Desk or Maintenance Co-ordinator. They should not move to a friend's room, floor lounge or take their belongings anywhere else. Our practice is not to relocate the resident due to the increased risk of spreading. We will work closely with the resident and require their full participation in the process. Our full bedbug procedure can be found online at uwaterloo.ca/housing/about/policy/procedures.

10.3 Facility improvement/construction

There are ongoing campus and city construction, renovation and maintenance projects occurring at and/or adjacent to a number of residences on the main campus. Noise due to facility improvement and cleaning, that can be disruptive to residents, will typically not begin before 9 a.m. These activities may begin earlier due to emergencies beyond the control of the department. Outdoor service activities adjacent to the residences, such as grass cutting and garbage removal, may cause noise that some residents find disruptive. The department attempts to ensure these activities do not begin before 7 a.m., however snow removal may occur prior to 6 a.m.

Construction of new buildings, renovations, and maintenance occur year-round on campus and continue through midterm and final exam periods. Measures are taken to minimize disruption and at times options are provided to students for alternate study spaces. The University of Waterloo ensures that prudent construction practices are followed at all times, however there may be disruptions and inconveniences such as noise, dust, and/or temporary interruption of some services. Please note that there will be no compensation or reduction to residence fees due to any disruptions.

10.4 Maintenance and repairs

Any resident requesting repairs must submit an email:

Residents of CLV-South must contact CLV-South Maintenance (clvsouth@uwaterloo.ca)

Residents of CLV-North must contact CLV-North Maintenance (clvmaint@uwaterloo.ca)

10.5 Indoory Alterations

The Resident promises, covenants and agrees to: Not to effect alterations of any kind to the Premises, in particular, but not limited to the walls, floors, ceilings, furniture, plumbing, electrical, appliances and equipment. If the Resident fails to comply to this provision, the Resident will be responsible for the cost of putting the Premises back to the original condition.
10.6 Outdoor alterations and yard maintenance

Installing any additional fencing is prohibited. Residents are not permitted to garden with the exception of container plants situated on the concrete patio. All backyard items, including lawn furniture, can only be situated on the concrete patio.

The grass will be mowed, and the general maintenance of weeds, bushes and trees will be taken care of in the Columbia Lake Village community. Residents are expected to abide by the yard maintenance standards as outlined by the City of Waterloo. These standards were established for the safety and visual condition of yards (excluding buildings) and vacant lands. Yard maintenance includes the removal of rubbish, garbage, litter and debris, wrecked, dismantled, unlicensed or inoperative vehicles, trailers, machinery and appliances and animal waste from public or private property.

11.0 Residence community standards

11.1 Noise

The University of Waterloo takes reasonable care to ensure that the environment in its residences is conducive to university life and studying but cannot be responsible for unreasonable or unavoidable noise or disturbance caused by others or by matters outside its control. For consideration of other residents, subwoofers are prohibited in residence. Excessive noise is considered irresponsible behaviour especially in a community where every resident expects to be able to work and sleep in peace and quiet. Noise levels must not infringe on someone else's reasonable expectations. Failure to comply with reasonable noise requirements shall constitute grounds for eviction from residence.

11.2 Guests

A ‘Guest’ is defined as any person(s) without a Campus Housing contract for the current term(s) and who does not live in the same residence building as you. For example, students living in Columbia Lake Village (CLV) would be a guest if visiting UW Place and individuals who currently do not live on campus are considered guests in each residence building.

In order to adhere to public health guidelines, guests are strictly prohibited from visiting residence rooms, hallways, or floor lounges. Guests are only permitted to visit with residents in central complex areas where physical distancing can be ensured. Under no circumstances should a resident have a guest stay in their residence room overnight. Guests are expected to respect the rights and privileges of other residents in the community at all times.

Guests are not permitted during Orientation Week, on St. Patrick’s Day and the day preceding, or during the final exam period. We are prohibiting guests in accordance with physical distancing practices as recommended by the Region of Waterloo Public Health and Emergency Services in response to the COVID-19 pandemic. For more details, refer to the Region of Waterloo Public Health website.

11.3 Commercial use

The use of a residence room, mailbox, phone line, or network connection for any commercial purposes are prohibited. A business may not be operated in residence.

11.4 Posters

Posters or promotional materials must be approved in writing by Campus Housing before posting. Use two-sided poster mounts (available at the residence Front Desk) when putting up posters. Residence Life Co-ordinators may require you to remove any material that is deemed to contribute to a poisonous environment, promotes unwanted comments and/or contributes to a negative community atmosphere. Ensure that posters don’t obstruct smoke detectors, fire alarms or sprinklers to avoid violating safety codes.
11.5 Illness

Due to the communal nature of residence living, people suspected of being infected with a communicable disease are required to seek medical attention and inform the University of Waterloo’s Residence Life staff. If you suspect that you may be ill due to COVID-19 or have received a positive test result for COVID-19 you must immediately contact the University of Waterloo’s Residence Life staff at reslifeteam@uwaterloo.ca. You may be required to relocate to a residence unit intended for self-isolation or quarantine. Should Campus Housing be aware of non-compliance regarding self-isolation or quarantine, we will notify Region of Waterloo Public Health and Emergency Services Department for follow-up.

11.6 Pets

Residents are prohibited from keeping non-service pets/animals of any kind in their rooms or common areas. Exception: fish in aquariums. Contact the office for more information on how we can accommodate service animals in residence.

11.7 Sharing the unit/subletting

You are strictly prohibited from sharing your unit with people who are not listed on the residence contract, either to assist someone by allowing them to live with you free of charge or to offset your rent (known as subletting). Unauthorized sharing or subletting are not permitted; both are cause for eviction and/or non-renewal. Townhouse mailboxes are for resident’s use only.

We reserve the right to show our residence accommodations to prospective students. Please note that you may be placed with a roommate acting in the capacity of CLV tour guide.

11.8 Compliance with Laws

The following activities are prohibited in and around the room and residence: behaviour by the Student that (a) interferes with the rights of another individual(s) to the peaceful use and enjoyment of such individual’s room or the common areas in residence; (b) creates a nuisance and/or disturbance to an individual or community; (c) endangers the safety and security of the Student or another individual(s); (d) compromises any personal or University of Waterloo property, (e) attacks the dignity/integrity of an individual, and/or (f) breaks the laws of the Province of Ontario or the laws of Canada applicable therein.

11.9 Compliance with Laws-Pandemic

Residents must wear a non-medical mask or face covering while in shared common spaces in residence. Shared common spaces are defined as: cafeterias and dining halls, hallways, lounges, central complex areas, study rooms, laundry rooms, and other areas shared by a variety of residents. Non-medical masks or face coverings are not required while a resident is in their private unit, in the bathroom, or while eating food in a cafeteria/dining hall. Non-medical masks or face coverings are recommended when physical distancing from others is unable to be maintained and can be an additional tool to help prevent the spread of COVID-19. The provisions of this Section 11.9 is subject to change on the recommendation of public health or government order.

11.10 COVID-19 Rules

Regardless of whether you have or believe you have contracted COVID-19, you must comply at all times with all laws, regulations, rules and recommendations related to COVID-19 enacted or directed by any applicable government authority from time to time ("COVID-19 Rules"). In particular, you agree to comply at all times with all COVID-19 Rules set out by the Region of Waterloo Public Health and Emergency Services (see https://www.regionofwaterloo.ca/en/health-and-wellness/2019-novel-coronavirus.aspx for details), including those with respect to physical distancing and self-isolation. For certainty, if you fail to comply with any COVID-19 Rules, you will be in breach of the Agreement and the University of Waterloo may take disciplinary action against you, including eviction, without further notice.

COVID-19 rules apply in all residence spaces, including your private unit and shared central complex areas. If you suspect that you may be ill due to COVID-19 or have received a positive test result for COVID-19 you must immediately contact the University of Waterloo’s Residence Life staff at reslifeteam@uwaterloo.ca. You may be moved into a residence unit intended for self-isolation.
Residents must self-isolate for 14 days in the designated residence unit and will receive direction from University of Waterloo residence staff while maintaining physical distancing practices. Several precautions to promote individual student and staff, and community safety during the COVID-19 pandemic have been implemented by Campus Housing. Detailed information about these precautions and expectations are visible in community signage and on the Housing website. Residence is a community environment and it is the shared responsibility of all our community members to be informed of these rules and expectations to support the ongoing health and safety of our community. For more information, please check the University of Waterloo’s COVID-19 webpage: https://uwaterloo.ca/coronavirus

12.0 Safety and Security

12.1 Compliance

It's important that students behave responsibly and do not compromise their own safety or endanger the health and safety of others. Students and guests are expected to exercise care and good judgment with regard to their own personal safety and the safety of others. The Residence Life Co-ordinator and the Office of Residence Life, on behalf of the University of Waterloo, reserves the right to determine what constitutes unsafe practices in its sole and unfettered discretion.

Residents shall comply with instructions given by the residence staff, campus police and other people in authority within residence. Residents shall accurately identify themselves if requested to do so. While our staff attempts to secure the physical access of the residences, please remember that you are responsible for making good choices for your own personal safety.

When asked to do so, students must honestly identify themselves and their guests to all Residence staff, Waterloo Campus Police, Security and the City of Waterloo Police and any other authority figure.

12.2 Access to residence rooms

Residents must ensure that all floor doors are firmly closed and locked at all times. Entering another student's room without permission or disturbing another resident's property is prohibited. Unauthorized entry into any Waterloo storeroom, office, cafeteria etc., is strictly prohibited.

Residents must not prop doors open. You must not open doors for people or allow people into residence if they are not personally known to you. By allowing another individual into residence you are assuming responsibility for their behaviour and all consequences as a result, financial or otherwise. All suspicious people and behaviour should be reported to Residence Life and/or Waterloo Campus Police, 519-888-4911, https://uwaterloo.ca/police/

12.3 Fire safety

When notified of fire or other emergencies in the building, all students must immediately evacuate the building and remain outside until permission to re-enter has been granted by Waterloo personnel. Failure to do so is a major infraction of the law. Students will be assigned a minimum $100 fine, and additional sanctions, for failing to comply with fire safety protocols. If a student sees a fire, they should immediately pull the fire alarm and vacate the building. The discharging, tampering with or operating of any fire prevention or detection apparatus for any purpose other than the control of fire is strictly prohibited. Any student found to be in breach of the fire safety regulations can expect to incur sanctions at the discretion of the Residence Life Co-ordinator, including, but not limited to, a fine of not less than $100 for a first offense and eviction for any subsequent offenses.

When vacating the building, residents must evacuate the building in a calm and orderly fashion. Elevators should not be used when evacuating the building; always use the stairs. When evacuating the building, use the closest exit. If the exit is blocked, find an alternative exit. If time permits, close
all windows tightly before leaving the building. Ensure that you are aware of the location of the fire alarms and the exits, and the fire procedures.

12.4 Cooking/Appliances

Cooking food in any resident's bedroom is not permitted. All electrical cooking appliances (i.e. toasters, hot plates, microwaves), are to be stored in areas with approved kitchen facilities. Automatic shut-off coffee makers or kettles are permitted in residence rooms. Residents are promitted to have a maximum of one barbeque per townhouse. The barbeque must always remain on the concrete patio.

Lighting/burning candles, incense, or oil lamps, or any appliance requiring combustible fuel is not permitted in any residence. Any student required to light or burn candles/incense based on religious grounds must seek prior permission from the Residence Life Co-ordinators.

Extension cords are not allowed in residence, as they can easily be misused and pose a major fire risk. If using a space heater, it's mandatory that this is equipped with an auto shut off, is CSA approved for electrical use and is in good condition. Do not overload electrical outlets.

12.5 Storage

Residents are not permitted to keep bicycles or large personal items in any stairwell, hallway, or common areas in residence.

12.6 Electrical equipment

Residents must use only CSA, UL-approved or Canadian-certified electrical equipment; the rated wattage of light fixtures must never be exceeded; and only replacement bulbs supplied by Waterloo maintenance staff may be used.

Do not leave any unattended electrical equipment turned on (i.e. hair straighteners, lights etc.)

12.7 Weapons and physical violence

Firecrackers, firearms, weapons, or any object the Residence Life Co-ordinator considers dangerous to the health and/or wellbeing of fellow residents, are strictly prohibited. Physical violence of any kind is not tolerated and will be dealt with severely, up to and including immediate eviction.

12.8 Dangerous behaviour

Residents must refrain from dangerous behaviour (i.e. sitting on windowsills, being on the roof of any residence, throwing or dropping items from windows). Removing window screens is dangerous and prohibited. Cable should not be run between rooms. Pranks of any kind are deemed a threat to safety and security of other residents and are therefore prohibited. Actions that contravene COVID-19 Rules shall be deemed dangerous behavior. A breach of this Section 12.8 shall constitute grounds for immediate eviction.

12.9 Stolen property

Residents must refrain from using another student's property without prior permission. Stolen property is not permitted in residence (i.e. shopping cart, road signs).

12.10 Harassment and abuse

Freedom from bodily harm, sexual assault, domestic violence, threats, harassment, or damage to personal property by others is a legislated right. Any resident who denies another resident or staff member of those rights will be in breach of the residence contract and may face criminal charges. Complaints or inquiries regarding these issues can be made to the Residence Life Coordinator or the University Coordinator for Conflict Management and Human Rights.

12.11 Alcohol

Residents who choose to consume alcohol while on University of Waterloo property are expected to do so safely and in a manner that respects the wellbeing and legal obligation of the University of Waterloo
and its members. Residents must be of legal drinking age (19 years of age), as defined by Ontario law, in order to consume alcohol and/or have alcohol consumed in their residence room or suite. In residence, the consumption of alcoholic beverages is restricted to the bedrooms and suites. Open alcoholic beverages are not permitted in hallways, common areas or outside of residence buildings. Beer and glass cooler bottles are not permitted in residence and will be confiscated upon discovery.

Any person who serves an alcoholic beverage to — or purchases an alcoholic beverage for — any person under the age of 19 is in violation of the law. Students participating in underage drinking or buying alcohol for minors will be subject to sanctions, at the discretion of the Residence Life Co-ordinator, including, without limitation, eviction. If you serve any person an excessive amount of alcohol, regardless of his or her age, you can be held legally liable should such person sustain injury.

If a resident fails to maintain a responsible level of alcohol consumption, or breaches this policy, the Residence Life staff may intervene. Residence Life staff reserves the right to contact Emergency Services if they feel that a resident or guest has overconsumed, and their wellbeing is in question. Any costs associated with this (ambulance fees, for instance) are the responsibility of the individual. In addition, the Residence Life Co-ordinator may impose conditions to address the behaviour, including, but not limited to:

- A meeting with Residence Life Staff
- A behavioural contract
- Completion of an educational sanction
- Privilege restrictions
- Eviction

12.12 Drinking games

Drinking games and the use of instruments and paraphernalia used in unsafe drinking practices (i.e. funnels) to maximize or accelerate the consumption of alcohol are prohibited in all areas of residence. Brewing alcoholic beverages in residence and/or bringing containers of alcoholic beverages for mass consumption (i.e. kegs) into residence is prohibited. Parties held without sanction by Residence Life staff are prohibited.

12.13 Drugs

Per University of Waterloo Policy 29, the University prohibits the smoking or vaporizing of cannabis on University property, except for the purposes of medicinal use which may occur only with appropriate documentation provided to the University (AccessAbility Services for students and Occupational Health for employees).

Students in residence are prohibited from trafficking, possessing, using, or consuming any illegal drug substance in residence or surrounding property. Individuals found to be involved in drug trafficking will be immediately evicted from residence or surrounding property and may face charges under the Criminal Code of Canada. Residence Life staff reserve the right to prohibit any abuse or excessive use of any substance (including but not limited to over-the-counter substances, prescription or legal drugs) based on the effect to the residence community.

The possession or use of illegal drugs, being party to the consumption or use of illegal drugs by being willfully present during their use or consumption, or return to residence under the influence of illegal drugs, constitutes cause for disciplinary action, up to and including eviction. If a resident breach this policy, the Residence Life staff may intervene. Residence Life staff reserves the right to contact Emergency Services if they feel that a resident's or guest's well-being is in question. Any costs associated with this are the responsibility of the individual. In addition, the Residence Life Co-ordinator may impose conditions to address the behaviour, including but not limited to:

- A meeting with Residence Life Staff
• A behavioural contract
• Completion of an educational sanction
• Privilege restrictions
• Eviction

12.14 Smoking
Smoking and smoking related activities (including, but not limited to, vaping and e-cigarettes) are strictly prohibited in all residence buildings and immediate surrounding areas. Consideration for others must prevail at all times. Smoking is permitted 10 meters away from buildings on campus. Smoking in residence may result in a fine and/or behavioural contract. Any repairs required as a result of smoking will be billed back to the resident.

12.15 University liability
The University of Waterloo is not liable, directly or indirectly, for any loss of theft of personal property, or for damage or destruction of such property by fire, water, or other causes. As with any public area, we recommend that you obtain personal property/content insurance.

The University of Waterloo and its governors, agents, employees, directors, trustees, officers and members shall not be liable for, and assume no responsibility whatsoever for injury to the Student or guests which occurs in the Student’s assigned room or any other part of the residence as a result of the conduct of the Student, guests, or other students and their guests or otherwise, including, without limiting the generality of the foregoing, injuries arising from engaging, participating in, attending or watching a dangerous, careless or reckless activity or fights, contests, games, parties or sporting activities, or from assault, impairment, intoxication, consumption of alcohol, drugs, or harmful or banned substances, or as a result of delivery of alcohol to the residence, whether or not such delivery is permitted by or known to the University of Waterloo, or due to unauthorized entry into cafeteria kitchens or into any other areas of the residence that are not part of the living space in the residence, or arising from damage to or the unauthorized alteration, removal or disabling of any part of the residence, including its windows, doors, locks, railings, or safety or alarm devices, features and fixtures.

The University of Waterloo shall not be liable for the failure to provide accommodation in a room in residence which is contracted for herein when such failure is caused by fire, explosion, water, Acts of God, civil disobedience or disturbances, strikes or other labour interruptions, vandalism, war, riot, sabotage, failure of public utility services, governmental rules, or any other situations which are beyond the reasonable control of the University of Waterloo (collectively referred to herein as “Emergency” or “Emergencies”).

In the event that the residence cannot open and/or must close for any such Emergency, the University of Waterloo will attempt to notify the Student in advance. The University of Waterloo is not liable for any loss in any such Emergency. There shall be no compensation to the Student in any form whatsoever for loss, inconvenience or discomfort suffered as a result of Emergencies or other circumstances which are beyond the control of the University of Waterloo, and the University of Waterloo assumes no responsibility or obligation to find or provide alternative living arrangements for the Student in such circumstances.

In the event that the residence cannot open and/or must close due to the actions of third parties with respect to planned or unforeseen renovation or construction, which are beyond the control of the University of Waterloo but not an Emergency, the University of Waterloo will attempt to notify the Student in advance and will attempt, but is under no obligation, to provide substitute accommodation on- or off-campus.

12.16 Emergency Contact
Each residence student shall provide the University of Waterloo with and shall allow the University of Waterloo to contact their emergency contact or next of kin, at the discretion of the University of Waterloo, in case of emergency or in cases where a resident’s conduct represents a risk to the safety,
security, and/or well-being of the resident or other community members, or where the resident is incapacitated, regardless of the resident's age.

In addition to the foregoing, if the Student requires emergency medical assistance, or emergency assistance of any sort, the Student agrees that the University of Waterloo has their irrevocable consent to contact the Student's emergency contact(s) or next of kin, if determined at the discretion of the University of Waterloo to be appropriate in the circumstances for the purposes of dealing with the emergency requiring the assistance.

If the Student's emergency contact(s) changes during the Term of residency, then the Student agrees to notify the University of Waterloo immediately.

13.0 Rules and regulations

13.1 Enforcing the rules

Residence Life staff have the responsibility of enforcing residence rules, regulations, and the terms of the residence contract. When you accept your residence contract, you agree to abide by the direction and authority of Residence Life Co-ordinators (RLCs), and other Residence staff. Residence Life staff have the authority to apply sanctions against any resident who has violated the rules or who has undermined the authority of Residence Life or any other University of Waterloo employee. Sanctions are applied after careful consideration of what Residence Staff determine is best for the student, best for the community, and best for the University of Waterloo.

13.2 Resident responsibilities

Residents must comply with requests made by residence staff and University of Waterloo officials. These requests include those pertaining to established regulations, policies, guidelines, and COVID-19 Rules. They also include attending community and/or individual meetings. The conduct of residents is governed by this Agreement and other residence guidelines and directives issued by the University of Waterloo or through Campus Housing including, without limitation, University of Waterloo policies and procedures. Should your need for support and assistance exceed the resources available, or should you not actively participate in residence sanctions, you may be required to leave residence. You may also be required to leave residence if your behaviour gives rise to concerns for your own wellbeing, or the wellbeing of others in residence.

13.2.1 COVID-19 Responsibility
You must comply with all directions of residence staff and University of Waterloo representatives related to COVID-19, including but not limited to any directions to comply with any COVID-19 Rules of the Region of Waterloo Public Health and Emergency Services to minimize the transmission and harms of COVID-19 (see https://www.regionofwaterloo.ca/en/health-and-wellness/2019-novel-coronavirus.aspx for details). These requests may include requests to ensure proper social distancing, avoiding all gatherings of people who are not in your immediate family/household, and communicating to reslifeteam@uwaterloo.ca if you feel unwell or have symptoms of COVID-19. If you report symptoms of COVID-19 and have received the recommendation of a medical professional, you may be moved into a residence unit intended for self-isolation. Residents must self-isolate for 14 days in this residence unit and will receive direction from University of Waterloo residence staff while maintaining physical distancing practices.

13.3 Acceptable conduct
The expectation of acceptable conduct applies to the on-campus conduct of all residents and residence student organizations. The expectation of acceptable conduct also applies to off-campus conduct of residents and residence student organizations in direct connection with:

1. Field trips, floor trips, committee organized events and University of Waterloo or residence coordinated volunteer work.

2. Any residence activity sponsored, conducted or authorized by the University of Waterloo, their respective residence administration and/or student organizations.
3. Any activity that causes (or was likely to cause) destruction of property belonging to the University of Waterloo, or causes (or was likely to cause) harm to the health and safety of members of the University of Waterloo community.

Any activity that brings the University of Waterloo, or the residence operations into disrepute.

13.4 Sanctions

The residence reserves the right to determine appropriate sanctions even if the student withdraws from the residence, is no longer enrolled in classes, or subsequently fails to meet the definition of a student while a disciplinary matter is pending. Sanctions may include but are not limited to:

13.4.1 Fines
13.4.2 Community Service
13.4.3 Mediation
13.4.4 Health Assessment
13.4.5 Educational Sanction
13.4.6 Notice of Behaviour
13.4.7 Relocation
13.4.8 Eviction

Students should be aware that unacceptable conduct within a residence community may result in sanctions or non-academic discipline. These could impact potential residency at any of the other residences of the University of Waterloo and the Federated University and Affiliated University Colleges.

13.4.1 Fines
Fines are often issued for, but not limited to, tampering with fire safety equipment, and property damages. All fines are set at the discretion of the Residence Life staff. Residence Life staff have the authority to issue floor/ community fines to all members when responsibility for behaviour and/or damage in the community is not assumed by the individual(s) responsible. If deemed appropriate, the Residence Life Co-ordinator will levy a fine in writing and the fine will be applied to your student account through Quest. Academic marks and other processes will be withheld until all fines have been paid.

13.4.2 Community service
You may be requested to perform some form of community service within the residence facility.

13.4.3 Mediation
In the event of ongoing community or roommate disputes, you may be requested to participate in a mandatory mediation facilitated by Residence Life staff in order to identify an appropriate resolution.

13.4.4 Health assessment
You may be asked to attend a professional health assessment or a minimum number of counselling sessions to ensure your safety and well-being.

13.4.5 Educational sanction
You may be asked to complete an educational activity and/or participate in a designated workshop or program.

13.4.6 Notice of Behaviour
This is a written notice and summary of behaviour, incidents, and actions in residence during the contract period. A written notice is delivered to the Student and reviewed by themselves and Residence Life staff, and the expectations to continue living in residence are discussed and agreed upon. Following delivery of a Notice of Behaviour, any further residence violations may result in eviction.

13.4.7 Relocation
We reserve the right to move you to a different residence at any time as a result of disturbance to the community and/or breach of this contract. Relocation may result in an additional charge and/or adjustment of fees depending on your new room type, location and meal plan requirements.
13.4.8 Eviction
Eviction is reserved for those residents who have seriously breached the expectations for living in residence and/or infringed on the comfort and/or safety of other residents; however, any breach of this contract can result in eviction.

13.5 Legal proceedings
It must be emphasized that the University of Waterloo’s system of non-academic discipline should not be regarded as a substitute for the civil or criminal law but rather as a complementary system. Students continue to be subject to provincial and federal laws while in residence, and violations of those laws may also constitute a violation of the definition of acceptable resident behaviour. In such instances, the residence administration may proceed with disciplinary action independently of any criminal proceeding involving the same conduct and may impose sanctions for inappropriate conduct even if such criminal proceeding is not yet resolved or is resolved in the student’s favour.

13.6 University discipline
Campus Housing may refer violations of any of these terms and conditions to Waterloo Police, appropriate University of Waterloo officials, and/or Residence Directors at the Federated University & Affiliated Colleges. This may result in further investigation and disciplinary action, including action under Waterloo Policy 71 (Student Discipline).

13.7 Disciplinary appeals process
In order to appeal disciplinary action and/or eviction from residence, a student must submit a Notice of Appeal to the Assistant Director, Student Development and Residence Experience or his/her designate, within 10 working days of the action and/or eviction being appealed. Submission of a Notice of Appeal does not change or delay the disciplinary action in question and the student is expected to carry out the sanction that has been imposed. An outline of the appeal process and the Notice of Appeal are available from the Campus Housing website.

13.8 Disclosure of Information
Staff who work in Residence are restricted from providing any private information regarding Students to third parties (including parents and/or guardians). Room numbers, addresses, phone numbers, account balances, student conduct history, grades, conformation of occupancy, etc., are all considered personal information under the Freedom of Information and Protection of Privacy Act (FIPPA), and cannot be released without a student’s written permission (absent any applicable exemption under the FIPPA provisions together with sufficient evidence that the rights being exercised under such applicable exemption are not being used for personal objects that are not those of the Student).

13.9 Relocation
We reserve the right to move you to a different residence at any time as a result of disturbance to the community, breach of this contract, and/or movement to better align residence assignments for the benefit of the overall Campus Housing community. Relocation may result in an additional charge and/or adjustment of fees depending on your new room type, location and meal plan requirements. You may also be relocated into a different residence building to promote physical distancing and individual space in response to COVID-19 Rules and the University of Waterloo’s pandemic and emergency response objectives.

The University of Waterloo reserves the right to amend or make additional rules and regulations concerning the room and/or the residence, which shall form part of this Agreement and the Student hereby agrees to be bound by such amendments or additions. Any breach of any such policies shall be considered a breach of this Agreement.

Students who have not yet reached the age of eighteen years must have this Agreement signed by their parent or guardian. Students will not be permitted to move into Residence until they have completed and signed this Agreement.
COVID-19 INFORMATION

COVID-19 Residence Policies

The University has implemented residence-specific health and safety protocols, rules and policies ("COVID-19 Residence Policies") in order to maintain the health and safety of everyone in the residence community. The COVID-19 Residence Policies are based on directives from the provincial government and public health authorities. The University of Waterloo will continue to follow the recommendations and guidance of these authorities and will update, modify, or revoke the COVID-19 Residence Policies, as needed, from time to time.

Although the University of Waterloo is taking measures that align with guidance from health authorities and help create a healthier, safer, and supportive community environment, it takes a high degree of co-operation from everyone in the community to accomplish this goal and no one can ensure complete safety from sickness in a pandemic situation. Each resident has a responsibility to ensure that they act in a manner that contributes to and maintains a safe and healthy environment.
The following new section 16 is added after section 15 of the Agreement:

16.0 COVID-19 INFORMATION

16.1 COVID-19 Residence Policies

The University has implemented residence-specific health and safety protocols, rules and policies ("COVID-19 Residence Policies") in order to maintain the health and safety of everyone in the residence community. The COVID-19 Residence Policies are based on directives from the provincial government and public health authorities. The University of Waterloo will continue to follow the recommendations and guidance of these authorities and will update, modify, or revoke the COVID-19 Residence Policies, as needed, from time to time.

Although the University of Waterloo is taking measures that align with guidance from health authorities and help create a healthier, safer, and supportive community environment, it takes a high degree of co-operation from everyone in the community to accomplish this goal and no one can ensure complete safety from sickness in a pandemic situation. Each resident has a responsibility to ensure that they act in a manner that contributes to and maintains a safe and healthy environment.

16.1.5 COVID-19 Testing

You hereby agree to participate in the test and reasonably cooperate with the University’s testing instructions. You hereby consent to the disclosure of the test results to the University of Waterloo.

16.2 Compliance with COVID-19 Residence Policies

Compliance with COVID-19 Residence Policies is mandatory. You should continue to follow these policies, as well as other measures consistent with general public health guidance and infection prevention and control measures.

In addition to other provisions in the Agreement with respect to termination, the University of Waterloo may revoke any offer of residence, deny entry to residence, terminate this Agreement immediately or take such other necessary or appropriate action if the University determines, in its sole and absolute discretion:

(i) it is prudent or necessary to do,
(ii) for reasons of public health or student safety,
(iii) you have not complied with, or are not in compliance with, the COVID-19 Residence Policies or any other University policies, procedures, or rules with respect to COVID-19 or health and safety,
(iv) you have not complied with, or are not in compliance with, any applicable laws, regulations, or bylaws in relation to COVID-19, any applicable government or public health directives, rules, or guidance in relation to COVID-19 to which the University or its students are subject, or,

In such circumstances, the University will provide you with reasonable notice in the circumstances and either reduce your residence fees or refund you a prorated amount of any prepaid residence fees.

16.3 Room Assignments, Fees and Adjustments

The University reserves the right to determine which residence buildings and rooms are available for occupancy, and to assign and reassign you to a residence room in order to comply with the COVID-19 measures. The University reserves the right to delay occupancy if necessary. The University may move you to a different room or different residence at any time as a result of COVID-19 measures, or for the benefit of the overall residence community, and in such case, this may result in an additional charge and/or adjustment of fees depending your new room type, location, and meal plan requirements.

If you have already accepted your offer for a room type that is no longer available for occupancy due to COVID-19 measures, you will be reassigned to another room type at no additional cost, even if that room type typically has higher fees. However, should the University re-open other residence buildings at a later time during the 2021-2022 academic year, you may choose to move to another such residence building or room type for which you had originally applied should it become available for occupancy. Should you select to remain in your current residence, your fees will be adjusted to the fees typically associated with that room type. If no room of any type is available in any residence due to COVID-19 measures, the University will use reasonable efforts to assist you in finding alternative accommodations, but the University is under no obligation to locate, secure, or pay for any such other alternative accommodation and may terminate the Agreement in accordance with its terms.
