*Although every effort has been made to ensure the accuracy of information, it may be subject to correction or change without notice. These terms and conditions are only for Campus Housing and not the affiliated University Colleges.

1.0 Residence eligibility

1.1 Eligibility requirements
To be eligible for residence admission and to maintain eligibility for accommodation throughout your contract, you must meet the following requirements:

- You must be registered as a full-time student in 1.5 credits in each 4-month term or be considered full-time by the Registrar's Office or be a co-op student on an approved local work-term. If you are not a full-time student you are obligated to notify Residence Life Management in order to review your residency status.
- Before dropping a course, consider meeting with your Residence Life Co-ordinator (RLC) regarding your residence eligibility.
- You must have accepted a residence contract and submitted a $500 non-refundable initial payment towards residence by the date stated on your contract.
- You must have paid all previous charges for damages, fines, etc.
- You must not have had previous significant behavioural issues in residence and/or have previously been evicted or banned from living in a Waterloo Residence. Assessment of significant behavioural issues is at the sole and unfettered discretion of Residence Life Management.

2.0 Residence contract

2.1 Contract period
Subject to Section 2.4, a residence contract in the fall term is for two academic terms (fall/winter or fall/spring). In the winter and spring terms, the residence contract period is for one academic term. Your contract begins on the day the residence opens and terminates on the day that the academic exam period ends each term.

2.2 Two-term contracts
You will be assigned to the same residence room for both terms of your two-term residence contract. If you are in residence in the fall, you will be returning to the same residence facility in the winter. If you are living in residence in the fall and on a co-op work term in the winter, you will be returning to the same residence facility in the spring.

Notwithstanding the foregoing, in the event that circumstances change, Campus Housing reserves the right to change your room assignment for the second term of your contract. If you are moved to a different residence facility for the second term of your contract, you must pay the new residence facility fee and/or meal plan charges as applicable.

2.3 Co-op work terms
If you are on a winter or spring co-op work term placement, you can apply for a one-term residence contract. You must live in our designated area for co-op students, except as otherwise permitted by Campus Housing in writing. If you are on a co-op work term placement in the winter term, you cannot transfer your spring residence commitment (second term of a two-term residence contract) to the winter to complete your two-term contract obligation.

2.4 Winter break
All undergraduate residences are closed during the University of Waterloo’s winter holiday period; beginning at 12 noon the day after the last fall exam and ending the day before winter classes start. During this time, you have to make alternative living arrangements and will not be permitted access to any Waterloo Residence. December stay program organized by Campus Housing may be a short-term option for students, depending on student on eligibility and space availability. This program is a separate agreement outside your residence contract.

2.5 Election note
In the event of an election during the term of this contract, we will provide the appropriate agency responsible for conducting the election with verification of residence. If you do not wish to have your
residence verified with such bodies, you must advise Campus Housing in writing within the first two weeks of the start of this contract.

2.6 Termination
This Agreement may be terminated by the University of Waterloo due to the breach of this Agreement, the residence contract, or any policy, rule or regulation of the University of Waterloo by the Student or failure to comply with any of the eligibility conditions in 1.1 above. In the event of such termination, the Student will be required to immediately move out of the residence room, and the Student shall forfeit any and all fees paid by the Student in accordance with this Agreement.

If this Agreement is terminated during the term, then the student shall vacate the room in residence within 48 hours of delivery of notice of termination in writing.

3.0 Residence and meal plan fees

3.1 COVID-19 Residence fee chart

In response to public health recommendations, residence room rates have been temporarily adjusted to reflect space use (removal of single rooms). Should COVID-19 restrictions be lifted and minimized, residence room fees may return to regular rates upon notice to the Student.

### 3.3 Special dietary needs

Due to the many cultural and religious background of our students on campus, we do our best to accommodate as many food selections as possible. However, not all Food Services' outlets are able to accommodate every option. Before choosing a residence, research the food choices available for each so we can accommodate your needs. Students with severe or life threatening medically documented food allergies must register through the Accessible Housing process. Campus Housing does not guarantee a residence placement with other students with similar food allergies.

https://uwaterloo.ca/housing/applications/housing-accommodations

### 3.4 Deposits and initial payments

Deposits are initial payments received by Campus Housing and are nonrefundable and cannot be applied to a later application. An initial payment received as part of the Residence Community Ranking Form (RCRF) is used as an application fee and is applied toward your residence fee. Other residence deposits are initial payments and used to secure your residence space and are non-refundable.

An initial payment may be refunded, at the discretion of the University of Waterloo, if:

- The University of Waterloo has revoked your academic offer of admission or,
Your application to defer your offer of academic admission has been approved by the Office of the Registrar prior to August 1, 2020.

All other initial payments are non-refundable and act as an application fee and/or payment to secure a space in on-campus residence. Additionally, initial payments are not subject to an appeal through the Residences Fees & Contract Appeals Committee.

3.5 Payment of fees
Residence and meal plan fees (if applicable) along with other University of Waterloo charges are paid prior to the start of each term. These fees are posted to your Quest account. If you have questions refer to the information on your Quest account summary for payment details and options. You can also track your Waterloo finance charges and adjustments on your Quest account.

3.6 Refunds
In the event of a refund being granted, values are calculated on a pro-rated daily rate from the start date of your residence contract until the vacancy caused by your cancellation is filled by another student not currently living in residence. Any refund on residence fees are credited to your university account, less an administration fee of up to $500.

No refunds are given during the last 30 days of any term. To request a meal plan refund, contact the WatCard office directly. If you have no outstanding charges, you will be eligible for a refund. Refunds are issued to your Quest account from the Department of Finance at the University of Waterloo.

3.7 Tax receipts
Residence fees cannot be claimed as rent for income tax purposes. Under the Income Tax Act and Assessment Act, Universities are exempt from paying municipal property taxes.

Currently, the Income Tax Act stipulates that all students living in designated university (tax-exempt) student residences are limited to an Ontario Energy and Property Tax Credit claim based on an occupancy cost of $25 for the time they live in a student residence. Therefore, the maximum amount that can be claimed for income tax purposes is $25, subject to amendments to the Income Tax Act and related regulations from time to time.

4.0 Withdrawal and termination

4.1 COVID-19 Pandemic Relief
Increased flexibility is available for students because of public health adjustments and uncertainty caused by the COVID-19 global pandemic. For the fall 2020 academic term, and at the discretion of University, should specified pandemic restrictions be maintained through winter 2021 and spring 2021, Students are able to cancel their residence contract following these guidelines:

- Students wishing to terminate a contract prior to arrival on campus, they may cancel their residence contract to Campus Housing and the residence contract will be cancelled effective on the date the notice is received by Campus Housing via https://uwaterloo.ca/housing/fees-contracts/withdrawal-cancellation. Cancellations prior to arrival are subject to forfeiting the initial deposit. Students requiring study permits or those Students who signed a contract prior to March 2020 are eligible to receive a full deposit refund.

- Once the Student arrives, they may cancel their residence contract at any time by written notice to Campus Housing and the residence contract will be cancelled effective on the date the notice is received by Campus Housing via https://uwaterloo.ca/housing/fees-contracts/withdrawal-cancellation

- The Student will be assessed a $500 cancellation fee and charged a daily room rate and prorated meal plan fees if applicable for the time prior to the date of cancellation.

- Any remaining pre-paid fees will be credited back to the Student’s account (via Quest).

This COVID-19 Pandemic relief will remain in place to align with academic course delivery adjustments due to COVID-19 or until notification from Campus Housing. At that time, withdrawals
and cancelations are subject to limitations in sections 4.2 through 4.8 below. This section 4.1 is still subject to the University’s right to terminate under section 4.6 below and if a Student receives a notice of eviction or termination of this Agreement, a Student cannot exercise an early cancellation right under this Section 4.1.

4.2 Financial responsibility
You are held financially responsible for the full residence fee as indicated in your contractual agreement and pursuant to this Agreement. If you withdraw from residence before the completion of your contract, you will be placed on our refund assessment list in order of withdrawal date. When a new student is confirmed into residence, a refund may be processed for the first student on the waiting list if Campus Housing reaches full occupancy. This process is based on filling the vacancy rather than filling the specific room type. If you find your own qualified replacement who is not currently living in residence or has an active residence contract or a part of the first-year guarantee process, you will be eligible to receive a refund. There is no guarantee that a residence space can be filled and the University of Waterloo shall not be obligated to take steps to fill vacant residence space. There are no guarantees of refunds in whole or in part.

4.3 Academic withdrawal pre-arrival
You will not be held financially responsible for your full residence fee if:
- Your offer of academic admission has been revoked by the University of Waterloo,
- Your application to defer an offer of academic admissions has been approved by the Office of the Registrar,
- You have withdrawn your academic acceptance at the University of Waterloo, or
- If you have been required to repeat your previous academic term.

Academic withdrawals do carry a $500 administrative fee to cancel the contract. The exception is for academic offers being revoked for new incoming students and/or academic deferrals prior to August 1, 2020.

4.4 Academic withdrawal post-arrival
Should you become "required to repeat" or "required to withdrawal" from your academic program, you are not financially responsible for your remaining full residence fees. Students who have an academic offer changed or adjusted by the University of Waterloo are eligible for financial relief once their cancelation has been complete. Students must follow the cancelation process and vacate their residence room should they be required to academically withdrawal. Students who withdraw academically are subject to a $500 administrative cancelation fee.

4.5 Student cancellation
If you cancel your residence contract and remain academically enrolled or on an approved work-term, you will be held financially responsible for your full residence fee. Campus Housing reserves the right to collect payment for any outstanding residence room charges. If after moving into your room, you cancel your residence contract upon the decision to move off-campus, anticipate a residence environmental conflict, or for any other reason based on residence assignment, you will be held financially responsible for your full residence fee and placed on our refund assessment list.

4.6 University Termination of Contract
If you are evicted from residence or are required to leave the University of Waterloo due to behavioural issues, you will be held responsible for your full residence fee as per your contractual agreement and this Agreement. Campus Housing reserves the right to cancel a residence contract at any time for a breach of the residence contract or breach of any term or condition of this Agreement. No notice or opportunity to cure such breach shall be provided.

4.7 Exceptional circumstances
If you are unable to live in residence due to exceptional circumstances beyond your control you may submit a written appeal with supporting documentation to the Campus Housing Fees & Contracts Appeals Committee for consideration. You will remain responsible for the administrative fee should an appeal be approved.
4.8 Grounds for appeals
In the event your residence contract is terminated, by you or by the University of Waterloo, you may appeal the fees owed by submitting an appeal to the Campus Housing Fees & Contracts Appeals Committee. Grounds for an appeal include medical and compassionate. The appeal must be submitted within ten days of submitting the Withdrawal Form and/or vacating your residence room. The last date to submit an appeal for 2020-2021 academic terms is July 23, 2021.

5.0 Room assignment
5.1 Roommates
You can request one preferred roommate. A requested roommate must meet the following requirements:
- You are both first-year students,
- You must both select the same gender community preference
- You must be in the same academic stream.
Upper-year students have the opportunity to request a roommate of different gender pairings.

5.2 Room changes
Requests for fall term room changes will not be accepted after the University has completed room assignments. Room change requests will not be permitted until further notice, due to public health guidelines. Should a room change request be made as a result of increased residence fees (CMH Single), Campus Housing staff will work with Students for an alternative residence assignment where possible and, in a response to COVID-19, not increase residence fees as a result of a room change necessary for health and safety related to COVID-19.

If you experience roommate challenges, a process of discussing concerns with your roommate(s), mediation and genuine attempts to resolve the situation are expected. You acknowledge and agree that the University of Waterloo shall not be responsible for granting any room change and each request shall be reviewed on a case by case basis.

Transferring rooms may result in an additional charge and/or an adjustment in fees, including meal plan charges, depending on your new room type and location. Additional charges will be posted to your Quest account by the Finance Department. Failure to complete the room change can result in an additional charge. NOTE: Room changes are only completed under exceptional circumstances and without obligation of the University to make any changes arising from a request.

5.3 Subletting
Only you and your designated roommate (if applicable) may occupy your residence room. Your room and any other space in residence cannot be shared with, or sublet to, another person.

5.4 Special accommodations
If you have a disability or chronic medical condition, Campus Housing will make every effort to place you in a room that works best for you. AccessAbility Services will work in collaboration with Campus Housing to place you in a room that accommodates your needs, but please give us prior notice and documentation so we can find the best fit quickly.

If you require specific accommodation due to a physical, sensory, environmental, medical, psychological, sleeping disorder, life threatening allergies, or learning disability related issue, you must contact AccessAbility Services at 519-888-4567, ext. 35082.

If you require accommodation due to your height (taller than 6’4” or 195 cm), please check the appropriate box on your residence application. We will attempt to place you in a room with a longer mattress (subject to availability).

Non-life threatening allergies and serious dietary issues (i.e. peanut allergy) can be accommodated through room assignment. Dietary concerns such as gluten-free or lactose-free diets can be accommodated through specialized menu planning with Food Services
The University of Waterloo respects, appreciates, and encourages diversity. We are committed to fostering equitable learning and living environments for all students. Some residence accommodations have shared private or semi-private spaces. We use the gender that you have identified on University of Waterloo records to assist with your room assignment. If you have questions or concerns, contact Campus Housing at 519-888-4567 ext. 32679. We are committed to finding the right fit for you in our community. Some of our on-campus partners such as the Equity Office, AccessAbility Service, Student Success Office, and The Glow Centre for Sexual and Gender Diversity may be able to assist us in finding a solution.

Every effort is made to place you in a residence that works for you. Special accommodation requests should be made through AccessAbility Services when you submit your Residence Community Ranking Form (RCRF).

5.5 Contingencies
Although rare, facilities or services may become unavailable as a result of factors that are beyond the control of Campus Housing. Under such circumstances, and subject to Section 10.3, the University of Waterloo reserves the right to make assignments, provide alternative arrangements, or substitute services as the situation may require. In the event of larger than anticipated residence applications, high enrolment, or other factors beyond immediate control of Campus Housing, repurposing of spaces may occur. This repurposing may include, but not limited to, uses of lounges as self-contained residence rooms, increasing the initially intended occupancy for rooms, or using spaces not owned or operated by Campus Housing. These rooms will be furnished and have similar expectations as all other residence rooms.

In the event that Waterloo must make decisions in the face of major disruptive events beyond its control, it will do so on the direction of relevant authorities, as appropriate, subject to Section 10.3. In some circumstances, students may be placed in alternative accommodations or housing arrangements until a regular room assignment becomes available. Campus Housing reserves the right to place limits on the number of residents to be reassigned in order to maximize space for new first year residents. New residents will be assigned to their preferred building to the extent possible. Failure to honour assignment preferences will not void residence contracts. Campus Housing reserves the right to change room or building assignments, assign roommates, and consolidate vacancies from time to time.

6.0 Move-in/move-out

6.1 Move-in
You will be requested to schedule your move-in information with Campus Housing prior to your arrival at campus. Please arrive on campus on your assigned date. Go to your residence building and check in at the residence Front Desk. There will be clearly defined volunteers and staff ready to assist you. You will be provided with your keys. It is important that Students adhere to their schedule for move-in to accommodate physical distancing and elevator coordination.

6.2 Early arrival
The arrival process will be managed through a registration process. Students are not permitted to arrive early and should arrive at their scheduled time.

6.3 Late arrival
Failure to check into your room by 12 noon on September 8, 2020 will result in the cancellation of your residence booking. Should you intend to arrive after this date/time, you must complete a late arrival form and indicate your expected arrival date. If you fail to provide a late arrival form prior to 12 noon on September 8, 2020, your initial payment will be forfeited and your residence contract will be canceled.

6.4 Move-out — first-year students
You are required to vacate your assigned room and leave residence within 24 hours of your last examination for each contracted term. If you do not have any exams scheduled during the final examination period, you are required to vacate your assigned room and leave residence 24 hours after the last day of classes for the contracted term. If your exam falls on the last day of the examination
schedule you are required to leave by 12 noon the following day. Room checks are done by the student and residence staff, before the Student moves out, to record any damages and to confirm that everything is unplugged, garbage is emptied, and windows are closed.

6.5 Move-out — upper-year students
You are allowed to stay in your assigned room until the last day of move-out for each contracted term. We are unable to provide extensions beyond the last day of move-out. If you would like to move-out earlier, you are welcome to do so. Upon vacating your assigned room, you are responsible for removing all garbage and recycling from your room/suite. Not sure when you need to move-out? You will receive official notification and move-out details via email. Room checks are done by the student and residence staff, before the student moves out, to record any damages and to confirm that everything is unplugged, garbage is emptied, and windows are closed.

6.6 Move-out — all students
Students accept financial responsibility for any missing furniture/fixtures, or any damages found in the student’s personal or shared residence space (billed to student account).

Students also accept financial responsibility for any cleaning charges resulting from the student’s personal or shared residence space being left in an unacceptable state of cleanliness, or garbage or unwanted items left in the space (billed to student account).

Room checks are completed to ensure students move out by their assigned move-out date (see 6.4 and 6.5). If student belongings have not moved out by their assigned date, access to residence rooms will be disabled and belongings may be removed. Campus Housing is not responsible for maintaining or keeping any items or belongings left behind following the move out date. These items may be disposed of or donated as appropriate.

7.0 Keys and locks

7.1 Keys
Your keys are your own responsibility. Do not lend your keys out or leave them where they may be taken. You are strongly advised to lock your door when leaving your room. You are prohibited from lending your assigned key(s) to any individual under any circumstance.

7.2 Lost keys
Lost keys should be reported immediately to your residence Front Desk. If you lose your key(s), a spare one will be issued for up to 7 business days to allow you to find the original. If after 7 business days your key(s) has not been returned, you will be assessed a $100 fee to cover the cost of a lock change. Roommates will receive a new key free of charge. If this happens more than once, appropriate fees and or sanctions are at the discretion of the Residence Life Coordinator.

7.3 Returning keys
If you fail to return your keys at move out, you will be assessed a $100 fee to cover the cost of a lock change.

7.4 Locks
Residents must report damaged or malfunctioning locks, lights and other safety hazards immediately to the Maintenance Co-ordinator email account specific to that building. Extra locks of any kind are not permitted on doors, windows or furnishings.

7.5 Room lockout
You are expected to keep your keys with you at all times. If you lock yourself out of your room, you can get help from your residence Front Desk. If being locked out becomes a pattern of behaviour, you will be expected to meet with your Residence Life Co-ordinator and disciplinary action, up to and including a fine, is possible.
7.6 University personnel entering rooms/suites
Authorized University of Waterloo personnel may enter your room or suite without prior notice for the following reasons: to ensure health, safety or general community welfare, to make repairs to your accommodations and the equipment servicing it, to inspect the condition of your room or suite, to silence an alarm or other noise within a living space that interferes with the reasonable enjoyment of the community, to reduce or prevent water damage during a flood or pipe burst, and to investigate compliance with and possible breaches of the terms and conditions. The Student agrees that the University of Waterloo staff, University of Waterloo appointed security guards, University of Waterloo Campus Police, or any person designated by University of Waterloo, the Residence Life Co-ordinator, Dons, and/or Residence Life Staff have the right to enter the room and the residence at any time, in performance of any of their duties.

If a resident requests a repair, a work order is created and will be considered authorization to enter the room. Except in the event of an emergency or safety related concern, notice of entry, other than a work order, will be provided at least 24 hours in advance.

Notwithstanding anything in this Agreement, minor repairs and/or maintenance requests made by you that do not interfere with your reasonable enjoyment of a residence room may be delayed or rejected to minimize physical contact of University of Waterloo employees and students in accordance with COVID-19 policies, guidelines, and procedures set by the University of Waterloo and applicable government authorities.

8.0 Residence facilities

8.1 Room
Your room is equipped with a twin-size bed, mattress (36" X 78"), desk and chair, study light, bookshelf, closet, dresser, waste basket, and Internet connection. Additional furniture (or storage of furniture) is not allowed in rooms or suites, without permission from Residence Life Management. Some rooms are furnished with other beds sizes, which will be communicated to students booked into those spaces.

8.2 Room Condition Form
You will be required to complete an online Room Condition Form. This form is retained by your residence office as a check against loss or damage to the room and its contents. Walk around your room and ensure every piece of furniture is accounted for. Also, look for any extra wear and tear the residence office should be aware of. (You won't want to be on the hook for any extra repairs the day you move out).

8.3 Property storage
We do not accept responsibility for the storage or safekeeping of property abandoned in residence rooms.

8.4 Air-conditioning
Air-conditioning units are also not permitted in residence. If you require air-conditioning for medical reasons, you must submit supporting medical documentation to Campus Housing. You will be considered for special residence placement or a room change.

8.5 Damage and loss
We hold you financially responsible for any damage or loss to your room or its contents and also for the cleanliness of your room when you vacate.

If you are assigned to a suite-style/townhouse accommodation, you are jointly responsible, with the other occupant(s) of the suite, for damage or loss sustained in the common areas of that accommodation. In some circumstances, you and other students in your building or area may be held accountable for damage to that building or area.
The Student hereby agrees that the University of Waterloo and its employees, agents, directors, trustees, officers and members assume no responsibility for, and shall not liable for, any loss or damage to the Student's personal property or injury to person, however caused.

8.6 Residence Common Spaces

Common spaces within Residences have maximum occupancy restrictions, which may be reduced due to COVID-19 restrictions. These maximums are posted in each space and must be adhered to. Use of common spaces (lounges, central complex areas) are subject to Sections 11 (Residence Community Standards) and Section 13 (Rules and Regulations).

8.7 Asbestos in buildings

The University of Waterloo maintains an Asbestos Management Program, conforming to Ontario Regulation 278/02 – Designated Substance – Asbestos on Construction Projects and in Buildings and Repair Operations. Some Waterloo Residence buildings do contain asbestos. An up-to-date inventory of the presence of asbestos in buildings has been complete. Asbestos poses a health risk only when fibers are present in the air that people breathe. In the event of renovations, repairs and construction the University adheres to strict regulations and legislation to protect everyone who works or lives in areas that may contain asbestos. The Safety Office offers ongoing support and maintains the policy to ensure the asbestos management program is followed in campus buildings.

8.8 Mold

Students are responsible to report issues with their room including the presence of mold and mildew. Should a student believe mold is present in the room, or common spaces, students must report this information to their residence facilities staff who will work towards resolving the issue. The presence of mold will not require a student to vacate or move residence assignments. Should the room condition or condition of common space affect a new or preexisting medically documented need, students must complete the Accessible Housing process to explore a room change if required uwaterloo.ca/housing/applications/housing-accommodations

9.0 Residence network

The residence network is a wireless and wired network that provides Internet and campus network access throughout residences. All areas of residence rooms are provided with a wireless Internet connection. Wireless access is provided in both the 2.4 GHz band, as well as the 5 GHz band. The wireless signal strength should be no less than -75 dBm on either wireless band. Network issues can be reported to the Residence IT Service Desk. Residence Networks, within Campus Housing, follow the general guidelines on use of Waterloo computing and network services. Guidelines can be found here: uwaterloo.ca/information-systems-technology/about/policies-standards-and-guidelines/campus-network/guidelines-use-waterloo-computing-and-network-resources

9.1 Misuse

The following are specific items that are considered misuse. They could result in immediate disconnection of your Internet connection without notice, and/or other sanctions as deemed appropriate by Residence Life staff.

- Uploading, downloading or sharing of any copyrighted materials including, but not limited to, movies, music, games, and software.
- Setting up of any server including, but not limited to, DHCP, SQL, FTP, WSeb, File and IIS.
- Scanning the network for any reason.
- Malicious hacking in any form.
- Sharing of any material deemed inappropriate or offensive.
- Tampering with or removing wireless access points in residence, or any other network hardware in residence.
- Any activity that degrades the performance, or impacts the security, of the network.
- Broadcasting a wireless network of any sort, including access point wireless printers.
- Spoofing, or imitating, any official University of Waterloo networks such as eduroam or uw-wifi-setup-no-encryption.
Problems arising from use for purposes other than those intended by the University of Waterloo will be seen as misuse. If you feel that ResNet does not meet your needs, you are welcome to arrange for an outside Internet Service Provider (ISP) at your own expense. Prior to arranging an alternative ISP, the Residence IT Service Desk should be consulted to ensure the required infrastructure exists. The University of Waterloo reserves the right to disconnect (without notice) any port if misuse is suspected. Misuse could ultimately result in disciplinary action up to and including eviction from residence and/or referral for academic disciplinary action. Commercial or criminal use of network resources is strictly prohibited, as is any use that may impact the performance of the network. Students are expected to comply fully with both the letter and the spirit of the law with respect to copyright and patents and thereby honour intellectual property rights.

9.2 Security
You are expected to ensure that your network-connected device is secure and does not pose a risk to yourself or others. Up-to-date virus protection is essential. The University of Waterloo will not be held responsible for damage, or data loss, to any network connected device that is vulnerable in any way. Developments that pertain to information technology may change from time to time, and you are expected to abide by these policies. Please visit uwwaterloo.ca/housing/technology on a regular basis to stay up-to-date.

9.3 Network Limitations
The residence network is an enterprise grade network that has security features enabled which are incompatible with some devices. Devices that rely on the ability to communicate with each other over the network (inter-client communication) will not function on the network; some examples of these devices are Chromecasts, wireless printers, wireless speakers, smart home accessories, etc. Devices that do not support WPA2-Enterprise encryption can be whitelisted to connect to uw-wifi-setup-no-encryption on a case by case basis. Uw-wifi-setup-no-encryption is an unencrypted network; users of this network are advised to practice caution in which traffic is sent over this network, and the University of Waterloo assumes no responsibility for any data loss or device vulnerability caused by use of this network.

10.0 Cleaning and maintenance

10.1 Cleaning
You are responsible for maintaining an acceptable level of cleanliness. This expectation is not only for your residence room, but is extended to all common areas in residence including TV areas, game rooms, washroom facilities, cafeterias, etc. Residents are to use the garbage and recycling containers provided. If you live in a suite-style/townhouse accommodation, it is your responsibility to ensure that your unit's common areas, washroom facilities and appliances provided are properly maintained and cleaned on a regular basis. Regular cleaning is important during a pandemic to minimize the spread of viruses. Cleaning supplies for suite-style accommodations are not provided by Campus Housing.

You are expected to clean your room/unit prior to leaving at the end of term. Any damage beyond normal wear and tear or any excess cleaning required by the Campus Housing staff will be billed to the resident(s).

10.2 Pest control
Campus Housing has an established and successful procedure for the unlikely event that a case of bedbugs is confirmed. We will work closely with any resident who suspects that bedbugs may be present in their room. This includes testing and if applicable, treatment. Students who suspect a case of bedbugs should immediately notify their Residence Front Desk or Maintenance Co-ordinator. They should not move to a friend's room, floor lounge or take their belongings anywhere else. Our practice is not to relocate the resident due to the increased risk of spreading. We will work closely with the resident and require their full participation in the process. Our full bedbug procedure can be found online at uwwaterloo.ca/housing/about/policy/procedures.

10.3 Facility improvement/construction
There are ongoing campus and city construction, renovation and maintenance projects occurring at and/or adjacent to a number of residences on the main campus. Noise due to facility improvement
and cleaning, that can be disruptive to residents, will typically not begin before 9 a.m. These activities may begin earlier due to emergencies beyond the control of the department. Outdoor service activities adjacent to the residences, such as grass cutting and garbage removal, may cause noise that some residents find disruptive. The department attempts to ensure these activities do not begin before 7 a.m.

Construction of new buildings, renovations, and maintenance occur year-round on campus and continue through midterm and final exam periods. Measures are taken to minimize disruption and at times options are provided to students for alternate study spaces. The University of Waterloo ensures that prudent construction practices are followed at all times, however there may be disruptions and inconveniences such as noise, dust, and/or temporary interruption of some services. Please note that there will be no compensation or reduction to residence fees due to any disruptions.

10.4 Noise and Vibration
Due to the proximity of some Campus Housing to the Waterloo Central Railway and the Region's LRT line (ION), projected noise levels may exceed the Noise Level Objectives approved by the Regional Municipality of Waterloo and may cause concern to some individuals. Moreover, each unit within the Claudette Millar Hall building has been fitted with a forced air-duct heating system suitably sized and is currently equipped with an air conditioning system. It is agreed that the University of Waterloo shall have no liability for any noise levels which may exceed the Noise Level Objectives.

11.0 Residence community standards
11.1 Noise
The University of Waterloo takes reasonable care to ensure that the environment in its residences is conducive to university life and studying, but cannot be responsible for unreasonable or unavoidable noise or disturbance caused by others or by matters outside its control. For consideration of other residents, subwoofers are prohibited in residence. Excessive noise is considered irresponsible behaviour especially in a community where every resident expects to be able to work and sleep in peace and quiet. Noise levels must not infringe on someone else's reasonable expectations and shall conform to the University's rules on noise or the municipality's noise bylaws. Failure to comply with reasonable noise requirements shall constitute grounds for eviction from residence.

11.2 Guests
A ‘Guest’ is defined as any person(s) without a Campus Housing contract for the current term(s) and who does not live in the same residence building as you. For example, students living in Claudette Millar Hall (CMH) would be a guest if visiting Beck Hall and individuals who currently do not live on campus are considered guests in each residence building.

In order to adhere to public health guidelines, guests are strictly prohibited from visiting residence rooms, hallways, or floor lounges. Guests are only permitted to visit with residents in central complex areas where physical distancing can be ensured. Under no circumstances should a resident have a guest stay in their residence room overnight. Guests are expected to respect the rights and privileges of other residents in the community at all times.

Guests are not permitted during Orientation Week, on St. Patrick’s Day and the day preceding, or during the final exam period. We are prohibiting guests in accordance with physical distancing practices as recommended by the Region of Waterloo Public Health and Emergency Services in response to the COVID-19 pandemic. For more details, refer to the Region of Waterloo Public Health website

11.3 Commercial use
The use of a residence room, mailbox, phone line, or network connection for any commercial purposes is prohibited. A business may not be operated in or from a residence.
11.4 Posters
Posters or promotional materials must be approved in writing by Campus Housing before posting. Use two-sided poster mounts (available at the residence Front Desk) when putting up posters. Residence Life Co-ordinators may require you to remove any material that is deemed to contribute to a poisonous environment, promotes unwanted comments and/or contributes to a negative community atmosphere. Ensure that posters don’t obstruct smoke detectors, fire alarms or sprinklers to avoid violating safety codes.

11.5 Illness
Due to the communal nature of residence living, people suspected of being infected with a communicable disease are required to seek medical attention and inform the University of Waterloo’s Residence Life staff. If you suspect that you may be ill due to COVID-19 or have received a positive test result for COVID-19 you must immediately contact the University of Waterloo’s Residence Life staff at reslifeteam@uwaterloo.ca. You may be required to relocate to a residence unit intended for self-isolation or quarantine.

11.6 Pets
Residents are prohibited from keeping non-service pets/animals of any kind in their rooms or common areas. Exception: fish in aquariums. Registration through the Accessible Housing process (uwaterloo.ca/accessible-housing) and following the Service Animal Verification guidelines (uwaterloo.ca/secretariat/policies-procedures-guidelines/service-animal-verification) is required to accommodate service animals in residence.

11.7 Food and cafeteria dishes
Remember to be courteous of other when eating in your room or in residence common areas. Store food in suitable containers to avoid contamination, vermin, and odour. If you plan on eating outside of the cafeteria dining areas, select food that comes pre-packaged. Cafeteria dishes, utensils, and trays are to remain in the cafeterias of Village 1, Ron Eydt Village, and Claudette Millar Hall residences and are to be returned to the proper areas there. Bringing cafeteria dishes onto the residences floors is not permitted and will result in sanctions. Inappropriate or disruptive behaviour in a University of Waterloo cafeteria or residence dining room is not permitted and may result in disciplinary action.

11.8 Compliance with Laws
The following activities are prohibited in and around the room and residence: behaviour by the Student that (a) interferes with the rights of another individual(s) to the peaceful use and enjoyment of such individual’s room or the common areas in residence; (b) creates a nuisance and/or disturbance to an individual or community; (c) endangers the safety and security of the Student or another individual(s); (d) compromises any personal or University of Waterloo property, (e) attacks the dignity/integrity of an individual, and/or (f) breaks the laws of the Province of Ontario or the laws of Canada applicable therein.

11.9 Compliance with Laws-Pandemic
Residents must wear a non-medical mask or face covering while in shared common spaces in residence. Shared common spaces are defined as: cafeterias and dining halls, hallways, lounges, central complex areas, study rooms, laundry rooms, and other areas shared by a variety of residents. Non-medical masks or face coverings are not required while a resident is in their private unit, in the bathroom, or while eating food in a cafeteria/dining hall. Non-medical masks or face coverings are recommended when physical distancing from others is unable to be maintained and can be an additional tool to help prevent the spread of COVID-19. The provisions of this Section 11.9 is subject to change on the recommendation of public health or government order.

11.20 COVID-19 Rules
Regardless of whether you have or believe you have contracted COVID-19, you must comply at all times with all laws, regulations, rules and recommendations related to COVID-19 enacted or directed by any applicable government authority from time to time (“COVID-19 Rules”). In particular, you agree to comply at all times with all COVID-19 Rules set out by the Region of Waterloo Public Health and Emergency Services (see https://www.regionofwaterloo.ca/en/health-and-wellness/2019-novel-
coronavirus.aspx for details), including those with respect to physical distancing and self-isolation. For certainty, if you fail to comply with any COVID-19 Rules, you will be in breach of the Agreement and the University of Waterloo may take disciplinary action against you, including eviction, without further notice.

COVID-19 rules apply in all residence spaces, including your private unit and shared central complex areas. If you suspect that you may be ill due to COVID-19 or have received a positive test result for COVID-19 you must immediately contact the University of Waterloo's Residence Life staff at reslifeteam@uwaterloo.ca. You may be moved into a residence unit intended for self-isolation. Residents must self-isolate for 14 days in the designated residence unit and will receive direction from University of Waterloo residence staff while maintaining physical distancing practices. Several precautions to promote individual student and staff, and community safety during the COVID-19 pandemic have been implemented by Campus Housing. Detailed information about these precautions and expectations are visible in community signage and on the Housing website. Residence is a community environment and it is the shared responsibility of all our community members to be informed of these rules and expectations to support the ongoing health and safety of our community. For more information, please check the University of Waterloo’s COVID-19 webpage: https://uwaterloo.ca/coronavirus

12.0 Safety and Security

12.1 Compliance

It is important that students behave responsibly and do not compromise their own safety or endanger the health and safety of others. Students and guests are expected to exercise care and good judgment with regard to their own personal safety and the safety of others. The Residence Life Co-ordinator and the Office of Residence Life, on behalf of the University of Waterloo, reserves the right to determine what constitutes unsafe practices in its sole and unfettered discretion.

Residents shall comply with instructions given by the residence staff, campus police and other people in authority within residence. Residents shall accurately identify themselves if requested to do so. While our staff attempts to secure the physical access of the residences, please remember that you are responsible for making good choices for your own personal safety.

When asked to do so, students shall honestly identify themselves and their guests to all Residence staff, Waterloo Campus Police, Security and the City of Waterloo Police and any other authority figure.

12.2 Access to residence rooms

Residents must ensure that all floor doors are firmly closed and locked at all times. Entering another student's room without permission or disturbing another resident's property is prohibited. Unauthorized entry into any Waterloo storeroom, office, cafeteria etc., is strictly prohibited.

Residents must not prop doors open. You must not open doors for people or allow people into residence if they are not personally known to you. By allowing another individual into residence you are assuming responsibility for their behaviour and all consequences as a result, financial or otherwise. All suspicious people and behaviour should be reported to a Don and/or Waterloo Campus Police, 519-888-4911, https://uwaterloo.ca/police/

12.3 Fire safety

When notified of fire or other emergencies in the building, all students must immediately evacuate the building and remain outside until permission to re-enter has been granted by Waterloo personnel. Failure to do so is a major infractions of the law. Students will be assigned a minimum $100 fine, and additional sanctions, for failing to comply with fire safety protocols. If a student sees a fire, they should immediately pull the fire alarm and vacate the building. The discharging, tampering with or operating of any fire prevention or detection apparatus for any purpose other than the control of fire is strictly prohibited.
When vacating the building, residents must evacuate the building in a calm and orderly fashion. Elevators should not be used when evacuating the building; always use the stairs. When evacuating the building, use the closest exit. If the exit is blocked, find an alternative exit. If time permits, close all windows tightly before leaving the building. Ensure that you are aware of the location of the fire alarms and the exits, and the fire procedures. Any student found to be in breach of the fire safety regulations can expect to incur sanctions at the discretion of the Residence Life Co-ordinator, including, but not limited to, a fine of not less than $100 for a first offense and eviction for any subsequent offenses.

12.4 Cooking/Appliances
Cooking food in any resident's bedroom is not permitted. All electrical cooking appliances (i.e. toasters, hot plates, microwaves), are to be stored in areas with approved kitchen facilities. Automatic shut-off coffee makers or kettles are permitted in residence rooms. Residents are prohibited from having barbeques or fires on residence property.

Lighting/burning candles, incense, or oil lamps, or any appliance requiring combustible fuel is not permitted in any residence. Any student required to light or burn candles/incense based on religious grounds must seek prior permission from the Residence Life Co-ordinators.

Extension cords are not allowed in residence, as they can easily be misused and pose a major fire risk. If using a space heater, it’s mandatory that this is equipped with an auto shut off, is CSA approved for electrical use and is in good condition. Do not overload electrical outlets.

12.5 Storage
Residents are not permitted to keep bicycles or large personal items in any stairwell, hallway, or common areas in residence.

12.6 Electrical equipment
Residents must use only CSA, UL-approved or Canadian-certified electrical equipment; the rated wattage of light fixtures must never be exceeded; and only replacement bulbs supplied by Waterloo maintenance staff may be used.

Do not leave any unattended electrical equipment turned on (i.e. hair straighteners, lights etc.)

12.7 Weapons and physical violence
Firecrackers, firearms, weapons, or any object the Residence Life Co-ordinator considers dangerous to the health and/or wellbeing of fellow residents, are strictly prohibited. Physical violence of any kind is not tolerated and will be dealt with severely, up to and including immediate eviction.

12.8 Dangerous behaviour
Residents must refrain from dangerous behaviour (i.e. sitting on window sills, being on the roof of any residence, throwing or dropping items from windows). Removing window screens is dangerous and prohibited. Cable should not be run between rooms. Pranks of any kind are deemed a threat to safety and security of other residents and are therefore prohibited. Actions that contravene COVID-19 Rules shall be deemed dangerous behavior. A breach of this Section 12.8 shall constitute grounds for immediate eviction.

12.9 Stolen property
Residents must refrain from using another student's property without prior permission. Stolen property is not permitted in residence (i.e. shopping cart, road signs).

12.10 Harassment and abuse
Freedom from bodily harm, sexual assault, domestic violence, threats, harassment, or damage to personal property by others is a legislated right. Any resident who denies another resident or staff member of those rights will be in breach of the residence contract and may face criminal charges. Complaints or inquiries regarding these issues can be made to the Don, Residence Life Coordinator, or the Equity Coordinator with the Human Rights, Equity and Inclusion office.
12.11 Alcohol
Residents who choose to consume alcohol while on University of Waterloo property are expected to do so safely and in a manner that respects the wellbeing and legal obligation of the University of Waterloo and its members. Residents must be of legal drinking age (19 years of age), as defined by Ontario law, in order to consume alcohol and/or have alcohol consumed in their residence room or suite. In residence, the consumption of alcoholic beverages is restricted to the bedrooms and suites. Open alcoholic beverages are not permitted in hallways, common areas or outside of residence buildings. Beer and glass cooler bottles are not permitted in residence and will be confiscated upon discovery.

Any person who serves an alcoholic beverage to — or purchases an alcoholic beverage for — any person under the age of 19 is in violation of the law. Students participating in underage drinking or buying alcohol for minors will be subject to sanctions, at the discretion of the Residence Life Co-ordinator, including, without limitation, eviction. If you serve any person an excessive amount of alcohol, regardless of his or her age, you can be held legally liable should such person sustain injury.

If a resident fails to maintain a responsible level of alcohol consumption, or breaches this policy, the Residence Life staff may intervene. Residence Life staff reserves the right to contact Emergency Services if they feel that a resident or guest has overconsumed and their wellbeing is in question. Any costs associated with this (ambulance fees, for instance) are the responsibility of the individual. In addition, the Residence Life Co-ordinator may impose conditions to address the behaviour, including, but not limited to:

- A meeting with Residence Life Staff
- A behavioural contract
- Completion of an educational sanction
- Privilege restrictions
- Eviction

12.12 Drinking games

Brewing alcoholic beverages in residence and/or bringing containers of alcoholic beverages for mass consumption (i.e. kegs) into residence is prohibited. Parties held without sanction by Residence Life staff are prohibited.

12.13 Drugs
Per University of Waterloo Policy 29, the University prohibits the smoking or vaporizing of cannabis on University property, except for the purposes of medicinal use which may occur only with appropriate documentation provided to the University (AccessAbility Services for students and Occupational Health for employees). Residents must be of legal drinking age (19 years of age), as defined by Ontario law, in order to consume cannabis and/or have cannabis in their residence room or suite.

Students in residence are prohibited from trafficking, possessing, using, or consuming any illegal drug substance in residence or surrounding property. Individuals found to be involved in drug trafficking will be immediately evicted from residence or surrounding property and may face charges under the Criminal Code of Canada. Residence Life staff reserve the right to prohibit any abuse or excessive use of any substance (including but not limited to over-the-counter substances, prescription or legal drugs) based on the effect to the residence community.

The possession or use of illegal drugs, being party to the consumption or use of illegal drugs by being willfully present during their use or consumption, or return to residence under the influence of illegal drugs, constitutes cause for disciplinary action, up to and including eviction. If a resident breaches this policy, the Residence Life staff may intervene. Residence Life staff reserves the right to contact Emergency Services if they feel that a resident's or guest's well-being is in question. Any costs associated with this are the responsibility of the individual. In addition, the Residence Life Co-ordinator may impose conditions to address the behaviour, including but not limited to:
• A meeting with Residence Life Staff
• A behavioural contract
• Completion of an educational sanction
• Privilege restrictions
• Eviction

12.14 Smoking
Smoking and smoking related activities (including, but not limited to, vaping and e-cigarettes) are strictly prohibited in all residence buildings and immediate surrounding areas. Consideration for others must prevail at all times. Smoking is permitted 10 metres away from buildings on campus. Residents must take measures to reduce the impact of scent within the community after smoking off-campus or outdoors. Smoking in residence may result in a fine and/or behavioural contract.

12.15 University liability
The University of Waterloo is not liable, directly or indirectly, for any loss of theft of personal property, or for damage or destruction of such property by fire, water, or other causes. As with any public area, we recommend that you obtain personal property/content insurance.

The University of Waterloo and its governors, agents, employees, directors, trustees, officers and members shall not be liable for, and assume no responsibility whatsoever for injury to the Student or guests which occurs in the Student's assigned room or any other part of the residence as a result of the conduct of the Student, guests, or other students and their guests or otherwise, including, without limiting the generality of the foregoing, injuries arising from engaging, participating in, attending or watching a dangerous, careless or reckless activity or fights, contests, games, parties or sporting activities, or from assault, impairment, intoxication, consumption of alcohol, drugs, or harmful or banned substances, or as a result of delivery of alcohol to the residence, whether or not such delivery is permitted by or known to the University of Waterloo, or due to unauthorized entry into cafeteria kitchens or into any other areas of the residence that are not part of the living space in the residence, or arising from damage to or the unauthorized alteration, removal or disabling of any part of the residence, including its windows, doors, locks, railings, or safety or alarm devices, features and fixtures. The Student releases the University of Waterloo and its governors, agents, employees, directors, trustees, officers and members from any and all actions, claims or proceedings in connection therewith.

The University of Waterloo shall not be liable for the failure to provide accommodation in a room in residence which is contracted for herein when such failure is caused by fire, explosion, water, Acts of God, civil disobedience or disturbances, strikes or other labour interruptions, vandalism, war, riot, sabotage, pandemic or epidemic, failure of public utility services, governmental action or rules, or any other situations which are beyond the reasonable control of the University of Waterloo (collectively referred to herein as "Emergency" or "Emergencies").

In the event that the residence cannot open and/or must close for any such Emergency, the University of Waterloo will attempt to notify the Student in advance. The University of Waterloo is not liable for any loss in any such Emergency and the Student agrees to release the University of Waterloo and its governors, agents, employees, directors, trustees, officers and members from any such claim, action or proceeding relating to same. There shall be no compensation to the Student in any form whatsoever for loss, inconvenience or discomfort suffered as a result of Emergencies or other circumstances which are beyond the control of the University of Waterloo, and the University of Waterloo assumes no responsibility or obligation to find or provide alternative living arrangements for the Student in such circumstances.

In the event that the residence cannot open and/or must close due to the actions of third parties with respect to planned or unforeseen renovation or construction, which are beyond the control of the University of Waterloo but not an Emergency, the University of Waterloo will attempt to notify the Student in advance and will attempt, but is under no obligation, to provide substitute accommodation on- or off-campus.
12.16 Emergency Contact
Each residence student shall provide the University of Waterloo with and shall allow the University of Waterloo to contact their emergency contact or next of kin, at the discretion of the University of Waterloo, in case of emergency or in cases where a resident’s conduct represents a risk to the safety, security, and/or well-being of the resident or other community members, or where the resident is incapacitated, regardless of the resident’s age.

In addition to the foregoing, if the Student requires emergency medical assistance, or emergency assistance of any sort, the Student agrees that the University of Waterloo has their irrevocable consent to contact the Student's emergency contact(s) or next of kin, if determined at the discretion of the University of Waterloo to be appropriate in the circumstances for the purposes of dealing with the emergency requiring the assistance.

If the Student's emergency contact(s) changes during the Term of residency, then the Student agrees to notify the University of Waterloo immediately.

13.0 Rules and regulations
13.1 Enforcing the rules
Residence Life staff have the responsibility of enforcing residence rules, regulations, and the terms of the residence contract. When you accept your residence contract, you agree to abide by the direction and authority of Dons, Residence Life Co-ordinators (RLCs), and other Residence staff. Residence Life staff have the authority to apply sanctions against any resident who has violated the rules or who has undermined the authority of the Don or any other University of Waterloo employee. Sanctions are applied after careful consideration of what Residence Staff determine is best for the student, best for the community, and best for the University of Waterloo.

13.2 Resident responsibilities
Residents must comply with requests made by residence staff and University of Waterloo officials. These requests include those pertaining to established regulations, policies, guidelines, and COVID-19 Rules. They also include attending community and/or individual meetings. The conduct of residents is governed by this Agreement and other residence guidelines and directives issued by the University of Waterloo or through Campus Housing including, without limitation, University of Waterloo policies and procedures. Should your need for support and assistance exceed the resources available, or should you not actively participate in residence sanctions, you may be required to leave residence. You may also be required to leave residence if your behaviour gives rise to concerns for your own wellbeing, or the wellbeing of others in residence.

13.2.1 COVID-19 Responsibility
You must comply with all directions of residence staff and University of Waterloo representatives related to COVID-19, including but not limited to any directions to comply with any COVID-19 Rules of the Region of Waterloo Public Health and Emergency Services to minimize the transmission and harms of COVID-19 (see https://www.regionofwaterloo.ca/en/health-and-wellness/2019-novel-coronavirus.aspx for details). These requests may include requests to ensure proper social distancing, avoiding all gatherings of people who are not in your immediate family/household, and communicating to reslife@uwaterloo.ca if you feel unwell or have symptoms of COVID-19. If you report symptoms of COVID-19 and have received the recommendation of a medical professional, you may be moved into a residence unit intended for self-isolation. Residents must self-isolate for 14 days in this residence unit and will receive direction from University of Waterloo residence staff while maintaining physical distancing practices.

13.3 Acceptable conduct
The expectation of acceptable conduct applies to the on-campus conduct of all residents and residence student organizations. The expectation of acceptable conduct also applies to off-campus conduct of residents and residence student organizations in direct connection with:

1. Field trips, floor trips, committee organized events and University of Waterloo or residence coordinated volunteer work.
2. Any residence activity sponsored, conducted or authorized by the University of Waterloo, their respective residence administration and/or student organizations.
3. Any activity that causes (or was likely to cause) destruction of property belonging to the University of Waterloo, or causes (or was likely to cause) harm to the health and safety of members of the University of Waterloo community.

Any activity that brings the University of Waterloo, or the residence operations into disrepute.

13.4 Sanctions

The residence reserves the right to determine appropriate sanctions even if the student withdraws from the residence, is no longer enrolled in classes, or subsequently fails to meet the definition of a student while a disciplinary matter is pending. Sanctions may include but are not limited to:

13.4.1 Fines
13.4.2 Community Service
13.4.3 Mediation
13.4.4 Educational Sanction
13.4.5 Behavioural contract
13.4.6 Relocation
13.4.7 Eviction

Students should be aware that unacceptable conduct within a residence community may result in sanctions or non-academic discipline. These could impact potential residency at any of the other residences of the University of Waterloo and the Federated University and Affiliated University Colleges.

13.4.1 Fines

Fines are often issued for, but not limited to, tampering with fire safety equipment, and property damages. All fines are set at the discretion of the Residence Life staff. Residence Life staff have the authority to issue floor/ community fines to all members when responsibility for behaviour and/or damage in the community is not assumed by the individual(s) responsible. If deemed appropriate, the Residence Life Co-ordinator will levy a fine in writing and the fine will be applied to your student account through Quest. Academic marks and other processes will be withheld until all fines have been paid.

13.4.2 Community service

You may be requested to perform some form of community service within the residence facility.

13.4.3 Mediation

In the event of ongoing community or roommate disputes, you may be requested to participate in a mandatory mediation facilitated by Residence Life staff in order to identify an appropriate resolution.

13.4.4 Health assessment

You may be asked to attend a professional health assessment or a minimum number of counselling sessions to ensure your safety and well-being.

13.4.5 Educational sanction

You may be asked to complete an educational activity and/or participate in a designated workshop or program.

13.4.6 Notice of Behaviour

This is a written notice and summary of behaviour, incidents, and actions in residence during the contract period. A written notice is delivered to the Student and reviewed by themselves and Residence Life staff, and the expectations to continue living in residence are discussed and agreed upon. Following delivery of a Notice of Behaviour, any further residence violations may result in eviction.

13.4.7 Relocation

We reserve the right to move you to a different residence at any time as a result of disturbance to the community and/or breach of this contract. Relocation may result in an additional charge.
13.4.8 Eviction
Eviction is reserved for those residents who have seriously breached the expectations for living in residence and/or infringed on the comfort and/or safety of other residents; however, any breach of this contract can result in eviction.

13.5 Legal proceedings
It must be emphasized that the University of Waterloo’s system of non-academic discipline should not be regarded as a substitute for the civil or criminal law but rather as a complementary system. Students continue to be subject to provincial and federal laws while in residence, and violations of those laws may also constitute a violation of the definition of acceptable resident behaviour. In such instances, the residence administration may proceed with disciplinary action independently of any criminal proceeding involving the same conduct and may impose sanctions for inappropriate conduct even if such criminal proceeding is not yet resolved or is resolved in the student's favour.

13.6 University discipline
Campus Housing may refer violations of any of these terms and conditions to Waterloo Police, appropriate University of Waterloo officials, and/or Residence Directors at the Federated University & Affiliated Colleges. This may result in further investigation and disciplinary action, including action under Waterloo Policy 71 (Student Discipline).

13.7 Disciplinary appeals process
In order to appeal disciplinary action and/or eviction from residence, a student must submit a Notice of Appeal to the Assistant Director, Student Development and Residence Life or their designate, within 10 working days of the action and/or eviction being appealed. Submission of a Notice of Appeal does not change or delay the disciplinary action in question and the student is expected to carry out the sanction that has been imposed. An outline of the appeal process and the Notice of Appeal are available from the Campus Housing website.

13.8 Disclosure of Information
Staff who work in Residence are restricted from providing any private information regarding Students to third parties (including parents and/or guardians). Room numbers, addresses, phone numbers, account balances, student conduct history, grades, conformation of occupancy, etc., are all considered personal information under the Freedom of Information and Protection of Privacy Act (FIPPA), and cannot be released without a student's written permission (absent any applicable exemption under the FIPPA provisions together with sufficient evidence that the rights being exercised under such applicable exemption are not being used for personal objects that are not those of the Student).

13.9 Relocation
We reserve the right to move you to a different residence at any time as a result of disturbance to the community, breach of this contract, and/or movement to better align residence assignments for the benefit of the overall Campus Housing community. Relocation may result in an additional charge and/or adjustment of fees depending on your new room type, location and meal plan requirements. You may also be relocated into a different residence building to promote physical distancing and individual space in response to COVID-19 Rules and the University of Waterloo’s pandemic and emergency response objectives.
