# WHOSE LAND ARE WE ON?

*The University of Waterloo acknowledges that much of our work takes place on the traditional territory of the Neutral, Anishinaabeg and Haudenosaunee peoples. Our main campus is situated on the Haldimand Tract, the land granted to the Six Nations that includes six miles on each side of the Grand River. Our active work toward reconciliation takes place across our campuses through research, learning, teaching, and community building, and is centralized within the Office of Indigenous Relations.*

National Day for Truth and Reconciliation is September 30th!

The Full-Cycle Service job board contains pre-approved co-op opportunities for undergraduate and graduate co-op students.

Next steps:

- Review [how to search for jobs on WaterlooWorks](#) using various techniques (e.g. filters, keywords, targeted degrees and disciplines, advanced filters and sorts). You can also reference [WaterlooWorks Help: Search](#) for additional information.
  - Tip: Use the [Targeted Degrees and Disciplines](#) filter to search for jobs that employers have identified as being a good fit for the type of work you're interested in or various academic programs that align with your skills.
  - Tip: Try using the keyword "remote" to search for opportunities that could be completed from any location.
- Curious about where other co-op students have worked in the past? Check out our [Where co-op students work](#) dashboard.
- Learn how to [apply for jobs on WaterlooWorks](#).

Note: Though job postings are reviewed by Co-operative and Experiential Education to ensure they are legitimate and suitable for co-op credit, it can sometimes be difficult to catch postings that contain fraudulent information. Please exercise caution and sound judgment when responding to any job posting, even after you have accepted a job. If you have questions or concerns about a job on the Full-Cycle Service job board, contact your co-op advisor. Learn more about how you can [protect yourself from job posting scams](#).

The Contract, Part-Time and Volunteer job board contains opportunities for all students (co-op and regular) and alumni, including part-time, summer, volunteer, internship and other positions.

If you accept a job through this board, you understand the relationship is solely between you and the company or person from which you accepted the job. The University is not a party to this relationship, nor will the University be responsible for any harms (e.g. failure to receive pay, workplace injury, etc.) that may occur due to this job.

# RANK & MATCH

# RANKING: PROCESS

(Employers rank students 1-10)  
+ (Students rank employers 1-10)

= Algorithm selects lowest sum  
to result in a match

## How does the ranking process work?

- After interviews are over for each cycle, employers rank students from 1-10 and *then* the students rank the jobs/employer from 1-10 in return; employers cannot see your rankings.
- After the employers submit their rankings, you can view and submit/save your own rankings on the dates and times specified on the important dates calendar.
- The system adds together scores and picks lowest sum for each job to make matches

Cycle	Number of apps you can submit	Job postings open	Job postings close (ET)	Interview period	Employer rankings available (ET)	Student rankings due (ET)	Match results available (ET)
Cycle 1 Posting A	Submit up to 50 apps	Sept. 6 - 16	Sept. 16 at 9 a.m.	Sept. 19 - Oct. 7	Oct. 8 at 2 p.m.	Oct. 10 at 2 p.m.	Oct. 10 by end of day
Cycle 1 Posting B	Submit up to 100 apps total (includes apps from previous cycle)	Sept. 17 - 23	Sept. 23 at 9 a.m.				
Cycle 2	Submit up to 500 apps total (includes apps from previous cycles)	Starting Oct. 11 New jobs are posted daily	Jobs posted Oct. 11 - 19 (Reading Week) will close Oct. 22 at 9 a.m.	Oct. 27 - Nov. 11	Nov. 12 at 2 p.m.	Nov. 14 at 2 p.m.	Nov. 14 by end of day
Cycle 3			After Oct. 19, jobs close at 9 a.m. 2 business days after job is posted	Nov. 18 - 25	Nov. 26 at 2 p.m.	Nov. 28 at 2 p.m.	Nov. 28 by end of day

# RANKING: WHAT YOU'LL SEE

## List Of Possible Rankings

Job	Employer ranking
Job 1	1
Job 2	Ranked
Job 3	Not Ranked
Job 4	Ranked
Job 5	(Blank)

### Rankings Explained:

- 1 = Offer | Congratulations! Rank back a 1 and the job is yours!
- Ranked = 2-10 | They're interested in working with you!
- Not ranked = Not being considered for the role | Nothing to rank
- Blank = No action from the employer | Nothing to rank

# RANKING: REMINDERS

- You must submit rankings for every job on your ranking form before the deadline closes. If you do not submit your rankings on time, the system will automatically rank every job a “10”.
- If you rank the job a **10**, it’s still **possible that you’ll be matched**. Think about this possibility when you are applying!
- You can submit up to **10** “[Not Interested](#)” (NI) rankings per term to **guarantee** that you will **not** be matched with a job and/or prioritize other jobs of interest!
- Concerns about the job – connect with your co-op advisor immediately following an interview – don’t wait until the day of the ranking.
- Rank carefully! If you are matched with a job, it means you have accepted the position. Failing to proceed with this commitment as per the coop terms and conditions will result in [renege consequences](#).
- **Resource:** [Co-op Jumpstart Series](#) | [Rank Match](#)

# COMMON QUESTIONS:

- I have more than 1 job offer!  
How should I rank them back?
- Some employers have ranked me (2-10)  
could I be matched with the job?
- I ranked the job a 10, is it still possible that  
I'll be matched?
- How come I don't see a ranking listed?
- I have no rankings showing. What can I do?
- My friend and I both have a sum of 3  
for this position, who will get the job?
- Hypothetically, if ....., what will happen in this
