WHOSE LAND ARE WE ON?

The University of Waterloo acknowledges that much of our work takes place on the traditional territory of the Neutral, Anishinaabeg and Haudenosaunee peoples. Our main campus is situated on the Haldimand Tract, the land granted to the Six Nations that includes six miles on each side of the Grand River. Our active work toward reconciliation takes place across our campuses through research, learning, teaching, and community building, and is centralized within the Office of Indigenous Relations.

THE OLD WORLD OF WORK

Education → Job → Promotion → Retire

THE NEW WORLD OF WORK

Education → Learn/Purpose/Identity

- At least 50% of jobs will change
- 85 million jobs will disappear...but 97 million new roles created (globally)
- 27% of graduates work in a field related to their major
- 17 jobs across 5 industries

WHAT DO THESE CHANGES MEAN FOR ME?

- Lifelong learning and importance of adaptability and flexibility
 - “Hire for the propensity to learn” - IBM CEO, Ginni Rometty
 - Recent Waterloo study shows that those who adopt a lifelong learning mindset see greater performance, more promotions, and higher job satisfaction
- Degree \neq career path
- View career as a web not a ladder
- There is no “right” choice, career, pathway
- Shift focus away from job/role and toward skills you want to use/learn and what kind of work and environments motivate you

ARRANGING YOUR OWN JOB (AOJ)

Steps to arrange your own job for co-op credit

Look for a position on external job sites, through your personal connections, and at job fairs

Once you receive a **firm** job offer, submit an Arrange Own Job (AOJ) form on WaterlooWorks

A Co-op Advisor will be in touch if we require more info to approve your job for co-op credit

Chat with your co-op advisor to learn more about:

- If a job that you are interested in is likely to receive a co-op credit (i.e. Standard/Flexible Work Term)
- How to provide an employer more information about co-op (i.e. fundings/tax credits available)
- What options are available for you at a particular time (i.e. add AOJ to your rankings or be removed from the interview process)

RANK & MATCH

RANKING: PROCESS

(Employers rank students 1-10)
 + (Students rank employers 1-10)

 = Algorithm selects lowest sum
 to result in a match

How does the ranking process work?

- After interviews are over for each cycle, employers rank students from 1-10 and *then* the students rank the jobs/employer from 1-10 in return; employers cannot see your rankings.
- After the employers submit their rankings, you can view and submit/save your own rankings on the dates and times specified on the important dates calendar.
- The system adds together scores and picks lowest sum for each job to make matches

	<i>Number of apps you can submit</i>	<i>Job postings open</i>	<i>Job postings close (ET)</i>	<i>Interview period</i>	<i>Employer rankings available (ET)</i>	<i>Student rankings due (ET)</i>	<i>Match results available (ET)</i>
Cycle 1 Posting 1	Submit up to 50 apps	Jan. 6 - 16	Jan. 16 at 9 a.m.	Jan. 22 - Feb. 7	Feb. 8 at 2 p.m.	Feb. 9 at 2 p.m.	Feb. 9 by end of day

RANKING: WHAT YOU'LL SEE

List of possible rankings

Job	Employer ranking
Job 1	1
Job 2	Ranked
Job 3	Not Ranked
Job 4	Ranked
Job 5	(Blank)

Rankings Explained:

- 1 = Offer | Congratulations! Rank back a 1 and the job is yours!
- Ranked = 2-10 | They're interested in working with you!
- Not ranked = Not being considered for the role | Nothing to rank
- Blank = No action from the employer | Nothing to rank

(Job ID) Job Title Organization - Division	Employer Ranking	Employer Notes	Ranking Deadline	My Ranking
view	1		07/12/2022 02:00 PM	Pending
view	Not Ranked	We are going with a more senior candidate but would love to continue the conversation and potentially speak about a work term in the future.	07/12/2022 02:00 PM	Not Ranked
view	Ranked		07/12/2022 02:00 PM	Pending

RANKING: REMINDERS

- You must submit rankings for every job on your ranking form before the deadline closes. If you do not submit your rankings on time, the system will automatically rank every job a “10”.
- If you rank the job a **10**, it's still **possible that you'll be matched**. Think about this possibility when you are applying!
- You can submit up to **5 "Not Interested"** rankings per term to **guarantee** that you will **not** be matched with a job and/or prioritize other jobs of interest!
- Concerns about the job – submit a [Request to Withdraw Application \(RWA\)](#) form immediately following an interview – don't wait until the day of the ranking.
- Rank carefully! If you are matched with a job, it means you have accepted the position. Failing to proceed with this commitment as per the coop terms and conditions will result in [renege consequences](#).

COMMON QUESTIONS:

- I have more than 1 job offer!
How should I rank them back?
- Some employers has ranked me (2-10)
could I be matched with the job?
- I ranked the job a 10, is it still possible that
I'll be matched?
- How come I don't see a ranking listed?
- I have no rankings showing. What can I do?
- My friend and I both have a sum of 3
for this position, who will get the job?
- Hypothetically, if, what will happen in this
scenario?
