Who are we?

Tamara (she/her): In my free time, I enjoy playing sports, going on walks, spending time with friends, and bonding over good food. I am facilitating from the territories of the Neutral, Anishinaabeg and Haudenosaunee people.

Becky (she/her): I make windchimes from thrifted materials; am passionate about land restoration; and love swimming with my dog. I'm facilitating from the territories of the Neutral, Anishinaabeg, and Haudenosaunee Peoples.

What's on the agenda for today?

Outline key aspects of
graduate school
programs

Discuss finding and
applying to programs

Overview application
components

Development

What happens if I don't get it?

This happens and it can bring up emotions. That's okay.

You might not know why you weren't accepted.

What do you want to do if you don't get it?
