IE 11 Upgrade Fix
Open Internet Explorer.
Go to site: //agileshipii-pr.uwaterloo.ca
Press Alt, OR right click anywhere on the top bar of IE and click menu.
Click tools
Click Compatibility Mode Settings
By default the site (uwaterloo.ca) will be there, click add.

Go to next page:
Within Tools → Internet Options → Security Tab → Trusted Sites → Sites

Add *.uwaterloo.ca (note: uncheck the "require server verification (https:) for all sites in this zone"

Close, OK
