You have saved 724 trees in 2017

Did you know... Cascades Recovery+ offers unique services by providing a comprehensive approach that manages the diversion of discarded materials. We assist our customers in achieving their sustainability goals while delivering cost effective recovery methods. Unlike waste companies whose primary business is “waste to landfill” – our business is to “divert material from landfill” and find ways to use the discarded materials over and over again, working towards zero waste.

For further information regarding your Diversion Report or information on additional material recovery services, please contact:
