

# FAUST *in the* BOX

DIRECTED BY  
BRIDGE MARKLAND / HEIKE GÄSSLER

Performance and transformation artist  
Bridge Markland presents **"Faust"**  
as a one-woman-show with  
hand puppets and pop music.

## Bridge Markland **XX**

Well known quotations from this most renowned of German dramas are juxtaposed with the likes of The Rolling Stones, Rammstein, Robbie Williams, Metallica, Pink, Elvis, Madonna, Led Zeppelin, Depeche Mode, Placebo and many other music artists. The classic play finds its contemporary equivalent in the sounds and lyrics of modern music and thus is opened up for many different generations.

*This "Faust" interpretation is not a parody, but a modern method of dealing with a classic. At the same time it demonstrates parallels between different streams of popular culture.*
