

**Margaret Derry**

*Franklin Wellington Wegenast,  
the Life of a German Canadian  
and His Impressions of  
Germany in 1938*

*As one of very few North-Americans, Wegenast visited Germany in 1938 and kept a travel diary, which Margaret edited and for which she wrote an extensive commentary/contextualization.*

*The talk has been organized by the German-Canadian Studies research group of the Waterloo Centre for German Studies.*

**When: Tuesday 21 September 2010 1.30pm**

**Where: Hagey Hall 373**

Refreshments will be available after the talk.
