

DENIAL

Wed. 7 Nov 2018,
7:00-9:30 pm

ECH 1220

Denial (2016) is the riveting dramatization of the trial against the Jewish Holocaust researcher Deborah Lipstadt. Historian David Irving sued her for libel after she had exposed him as an anti-Semitic Holocaust denier. Lipstadt's struggle raises questions about the psychology of denial and the limits of free speech.

Please join Professors Alice Kuzniar and James Skidmore for a screening of the film followed by a discussion of Holocaust denial in society today.
