# Where is your program in the curriculum process?

UNIVERSITY OF  
**WATERLOO**

The logo for the University of Waterloo is positioned in the bottom left corner. It consists of the text "UNIVERSITY OF" in a smaller font above the word "WATERLOO" in a larger, bold font. To the right of the text, there is a decorative graphic of several thin, colored lines (yellow, pink, green, blue, red) that originate from a point on the left and fan out towards the right, creating a sense of movement and expansion. The lines are set against a black background that tapers from left to right.

**How do you define deep learning for your students?**

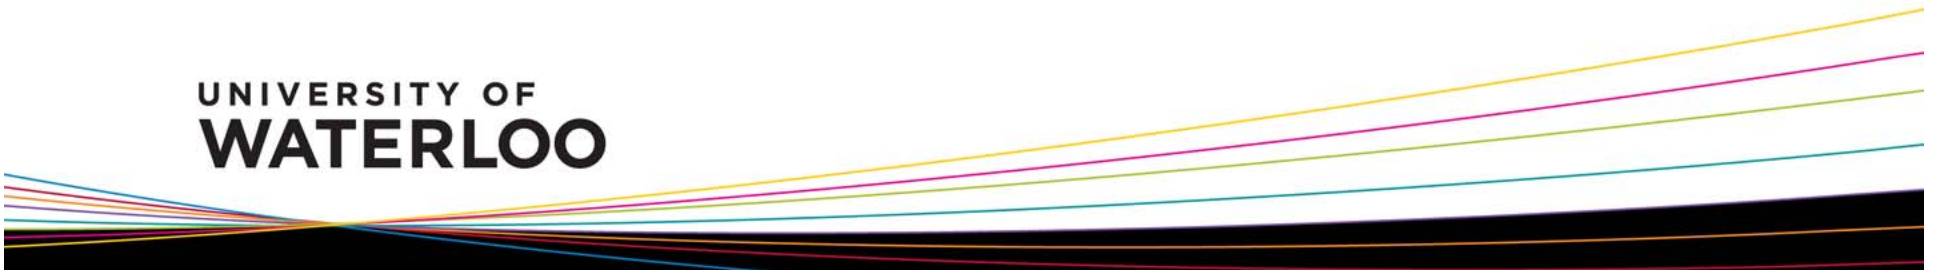

UNIVERSITY OF  
**WATERLOO**

The University of Waterloo logo is positioned in the bottom left corner. Below the logo, a series of colorful lines (yellow, pink, green, teal, blue, red) radiate from a central point on the left and extend towards the right edge of the slide. These lines are set against a black background that tapers from left to right.

**How do you promote deep learning across your program?**

UNIVERSITY OF  
**WATERLOO**

**What are some of the challenges you face in promoting deep learning?**
