WIX WYSIWYG Editor	**FREE PLAN** $$$ $4.08 USD/mo to connect a domain. $$$ $9.25 USD/mo to remove Wix advertisements.	Required: Basic computing Optional: Adobe Creative Cloud	Dependent on which plan is used. Custom domain and ad-free available.	Switching templates is a lot of work - all content needs to be uploaded again.
weebly WYSIWYG Editor	**FREE PLAN** $$$ $8.00 USD/mo to remove Weebly advertisements and a custom domain.	Required: Basic computing Optional: Adobe Creative Cloud	Dependent on which plan is used. Custom domain and ad-free available.	Constrained drag and drop capabilities. Moving content around is restricted to zones on the screen.
SQUARESPACE WYSIWYG Editor	$$$ $8.00 USD/mo billed annually. $$$ $12.00 USD/mo billed monthly. Students get 50% off the first year.	Required: Basic computing Optional: Adobe Creative Cloud	All plans include a custom domain. Ads can be removed.	Squarespace does not offer a free plan - even with advertisements.
WordPress Content Management System	$$$ FREE, but requires hosting separately.	Recommended: CSS, HTML, Adobe Creative Cloud	Highly customizable and free of advertisements.	The opensource nature of Wordpress results in many low-quality themes that can be difficult to separate from the great ones.
format Made for Photographers	$$$ $5.75 USD/mo to connect a domain. $$$ $6.99 USD/mo to remove Wix advertisements.	Required: Basic computing Optional: Adobe Creative Cloud	Most appropriate for photographers.	Format is a very niche platform, and the templates might be restrictive if you want to be creative with how your portfolio looks.
D2L™ FREE PLAN	Required: Basic computing Optional: Adobe Creative Cloud	Low customizability.	D2L portfolios often look a bit more dated than sites created on other platforms.
tumblr. FREE PLAN	$$$ Option of hosting separately.	Required: Basic computing Optional: Adobe Creative Cloud	Not intended as an ePortfolio platform. More appropriate for blogging.	Depending on your portfolio goals, Tumblr may not support the appearance or reputation that is appropriate for a portfolio.
The Grid Artificial Intelligence	$$$ $8.00 USD/mo limited time launch offer.	Required: Basic computing Optional: Adobe Creative Cloud	Not intended as an ePortfolio platform. More appropriate for blogging.	The Grid is very new, and is bound to experience bugs as it is launched.
Bēhance Made for Designers FREE PLAN	ProSite included in Creative Cloud subscription.	Required: Basic computing Optional: CSS, HTML	Most appropriate for designers.	Behance is likely not ideal for those who are not visual designers.
