

“Got Spirit” (Burning Handkerchief)

Materials:

Handkerchief (we use a bandanas)
50% ethanol, 50% water mixture May substitute isopropanol
Beaker
Tongs
matches

Safety:

Goggles and aprons
Fire risk

Procedure:

Soak the handkerchief in the ethanol solution. Hold the handkerchief with tongs and light with a match.

The ethanol burns, but leaves the handkerchief unscarred

CHEER: **S-P (S-P)** **I-R (I-R)** **I-T (I-T)** **echo**
 Got Spirit? (uh-huh) **Let's here it! (okay!)** **repeat**

Science Rally Cheers from George Hague

PSYCHED CHEER

PSYCHED, get psyched for the High School Rally

Get psyched, hey hey get PSYCHED !!!

EXPLOSION CHEER

TNT!!!

Dynamite !!!

The High School Teachers

Are hot tonight!!!

Cis-Boom-Pow!!!

TWO BITS CHEER (extra-curricular Pay)

Two bits!

Four bits!

Six bits!

A dollar!

All for SCIENCE EDUCATION

Stand up and holler!

SCIENCE CHEER

Give me a "S"!

S

Give me a "C"!

C

Give me a "I"!

I

Give me a "E"!

E

Give me a "N"!

N

Give me a "C"!

C

Give me a "E"!

E

What does it spell?

SCIENCE!!!!

YEA SCIENCE!!!
