

### **What is VROC?**

Virtual Researcher on Call (VROC) is a set of educational programs that connect knowledge partners -- college and university professors and professionals in the fields of Science, Technology, Engineering and Math (STEM) -- with Canadian students in elementary and secondary schools for real-time, interactive learning opportunities.

### **What is Experts on Demand?**

The Experts on Demand program uses online video-calling software (supplied and supported by VROC) to facilitate these connections.

Participating in the program gives you access to ExpertBook, our online database of STEM Experts that is searchable by key word(s) or course code(s).

### **How can I use Experts on Demand in my classroom?**

- 5-15 minute spontaneous video calls with multiple experts
- Semester-long mentorship-style sessions with an expert
- 20-60 minute pre-arranged, interactive presentations
- Other -- we welcome your creative input!

### **What equipment is required to participate?**

- A computer, laptop, iPad or other Internet-connected device
- Webcam
- Microphone
- Speakers

### **Who can I contact?**

For more information and to sign up for Experts on Demand contact a VROC Program Coordinator at [vrocpc@pirweb.org](mailto:vrocpc@pirweb.org) or visit [www.vroc.ca](http://www.vroc.ca)
