

WATERLOO UNDERGRADUATE

NANOTECHNOLOGY CONFERENCE

(WUNC)

SATURDAY NOVEMBER 12, 2016

9:30AM - 5:00PM

MIKE & OPHELIA LAZARIDIS
QUANTUM-NANO CENTRE

FEATURED TALK BY **DR. VLADIMIR BULOVIC**
PROFESSOR, MASSACHUSETTS INSTITUTE OF TECHNOLOGY
ASSOCIATE DEAN OF INNOVATION, CO-HEAD OF MIT.nano

Featuring events such as:

» **INDUSTRY PANEL**

Join industry professionals to gain an insight into how companies operate, and how they innovate in a vastly changing field

» **POSTER SESSION**

Meet other professionals and nano researchers in a poster session which hosts posters presented by university students and entrepreneurs

» **BREAKOUT SESSIONS**

Listen to and interact with speakers ranging from graduate students to industry professionals

» **NANO FACILITY TOURS**

See the equipment that makes nano research and development possible, hosted in the Waterloo Institute for Nanotechnology's facilities
