

Quick Start Instructions

Acorn Soup (1-2 players)

How to play:

1. Choose a recipe card and place the ingredients and spoon nearby. Use the bottom of the box as the soup pot.
2. Read the first ingredient on the recipe card and point its picture. See how many of this ingredient you will need.
3. Find the matching number of ingredients and take turns putting them in the pot. Don't forget to stir along the way!
4. Move to the next ingredient on the recipe card, adding it to the pot. Keep adding ingredients until you've finished the recipe. (Is there anyone you can invite to dine on soup with you?)
5. Feel like making another soup? Choose a new recipe card and make a new kind of soup. Make as many recipes as you want or make up some new ones of your own!
