

Bandido

Cooperative

Ages 6+

Playing time: 15 minutes

1-4 players

Solo play possible

No reading required to play

No math required to play

Time to learn: 5-10 mins

Strategy level: 
1 goal/
strategy 2-3 goals/
strategies 4+ goals/
strategies

Oh no, Bandido is trying to escape! In Bandido, you will work together to strategically place path cards so that all of the tunnels are blocked, before the draw pile runs out. But watch out, if any paths are left open, Bandido can escape! Players will either win together or lose together! (Note that this game will need a bit of a bigger surface to play as the tunnels can get long!)
