

Dinosaur Escape

Game Category: Quest and Strategy

Cooperative

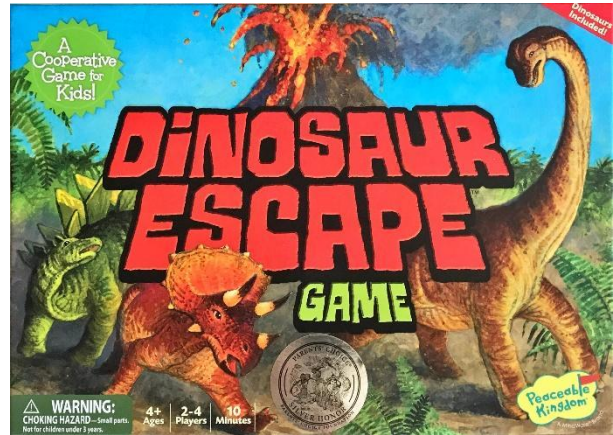

Ages 4+

Playing time: 10 minutes

2-4 players

Solo play possible

No reading required

Help the dinosaurs escape to Dinosaur Island before the volcano explodes! In this game, you will have to roll the dice to look for dinosaur tokens which move the dinosaurs – but be careful, if you roll a volcano, you will have to add one piece to the volcano! If you finish building the volcano before the dinosaurs make it to Dinosaur Island, you will have to start over and try again!
