Be lightning fast to grab the right object! In Ghost Blitz, a card is flipped up, and you must quickly grab the correct object from a set of 5 that includes a green bottle, blue book, red armchair, grey mouse, and white ghost. If one of the 2 objects on the card flipped up match one of the objects exactly (e.g., grey mouse), be the first to grab that object! But if the objects on the card don't match any object (white mouse, red book), you have to grab the one that doesn't share any of these features (the green bottle)! The first player to grab the correct object keeps the card as a point. Be careful! If you grab the wrong object, you have to give one of your point cards to the person who grabbed the correct object. When the deck runs out, the player with the most cards wins!
