

Gobblet Gobblers

Game Category: Memory and Strategy

Competitive

Ages 5+

Playing time: 5 minutes

2 players

No reading required

Gobblet Gobblers is tic-tac-toe with a gobbling twist! In Gobblet Gobblers, players take turn placing or moving their Gobbler pieces on the board, just like tic-tac-toe. But there's a twist – big pieces can gobble up smaller pieces, so watch out or your piece might get gobbled! The first player to line up any three of their Gobblers in a row wins the game!
