Game Category: Quest and Strategy

Cooperative

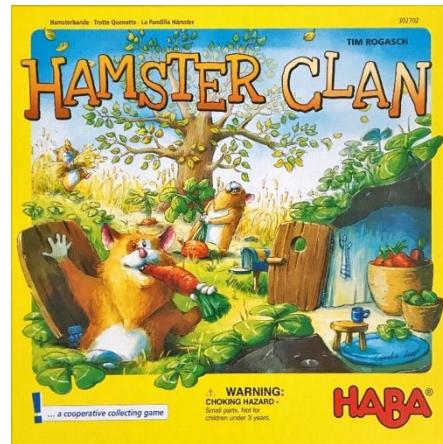

Ages 4+

Playing time: 20 minutes

1-4 players

Solo play possible

No reading required

Work together to collect garden foods to store in the hamster burrow before all the tree leaves fall! In Hamster Clan, you will have to use the dice to move and collect food – but be careful, after each round a leaf will fall off the tree! If the food gets put in the right place before all the leaves fall, you all win – if not, you will have to start over and try again!
