

Hisss

Game Category: Match and Strategy

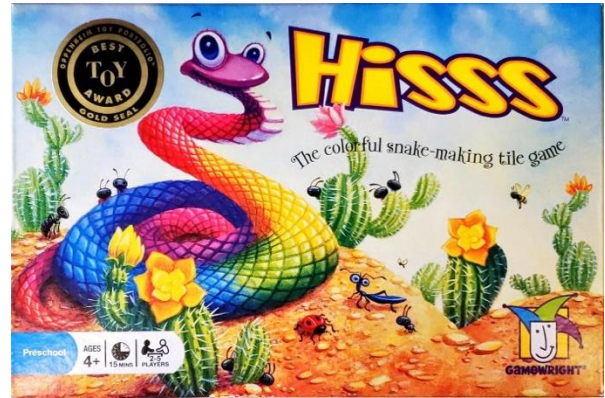

Competitive

Ages 4+

Playing time: 15 minutes

2-5 players

No reading required

Try to build the most snakes by matching colours! In Hisss, you will draw cards with the head, body, or tail for you to build snakes with by matching card colours or building new snakes with new colours. Sometimes you can even reassemble parts to make a new, longer snake. Whenever a snake is finished, it goes in your own snake pit! Whoever has the most snake parts in their snake pit at the end of the game wins!
