Game Category: Quest and Strategy

Cooperative

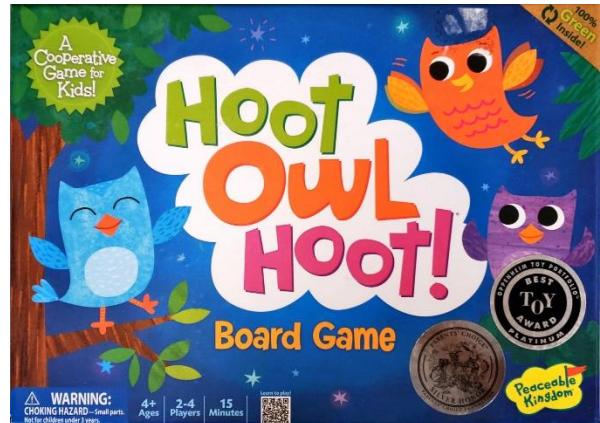

Ages 4+

Playing time: 15 minutes

2-4 players

Solo play possible

No reading required

Bring all the owls home to the nest before the sun rises! In Hoot Owl Hoot, you will have to move the owls by matching the colour cards to spaces on the board to go toward the nest – but be careful, if you turn over a sun card, you will have to move the sun one space closer to rising! If all the owls are not in the nest when the sun rises, you will have to start over and try again!
