

Quick Start Instructions

Hungry as a Bear (1-3 players)

(a co-operative game where you work together!)

How to play:

1. Place all of the food pieces on the plate, and place the box, spoon, dice, and plate in front of all players. Put the blue “hat” piece through the holes in the hat and stand up the bear in the box as shown in the picture.
2. The first player rolls the dice. What did you get?
 - A type of **food**? Put the matching food piece on the spoon and try to feed it into the mouth of hungry bear! But be careful – if you **drop the food** before putting it in hungry bear’s mouth, it must go in a “**mess pile**” in front of hungry bear!
 - The **smiling bear**? You get to pick any food piece you’d like to feed to hungry bear! If you drop it, it goes in the mess pile in front of hungry bear.
 - The bear with the **messy bib**? Take one food piece off the plate and place in the mess pile.
3. Once all of the food pieces are off the plate, take all of the food pieces from inside hungry bear’s tummy (inside the box) and stack them in a pile. Also stack the food in the mess pile and put the two piles beside each other.
4. Which pile of food is bigger? If the pile from hungry bear’s tummy is bigger, good job! Bear is full! If the mess pile is bigger, bear is still hungry! Maybe you can play again and see if you can fill bear’s tummy full the next time!
