Math required to score

- ☒ Double digit addition

Time to learn: 20+ minutes

Strategy level: 
1 goal/
strategy 2-3 goals/
strategies 4+ goals/
strategies

Work together to stop villains from destroying the world's books! In Illiterati, you will build words from a shared pool of letters to complete specific objectives before the villains attack. But be careful because unused letters cause damage, and the Illiterati will throw obstacles in your way. Score points by completing books, burning unused letters, and advancing through the story. Win by fulfilling each player's book and defeating the final villain! For an extra challenge, try playing in Hard mode or taking on tougher villains to put your vocabulary and teamwork to the test!
