

# Indigenous Art Dominoes

Game Category: Match and Strategy

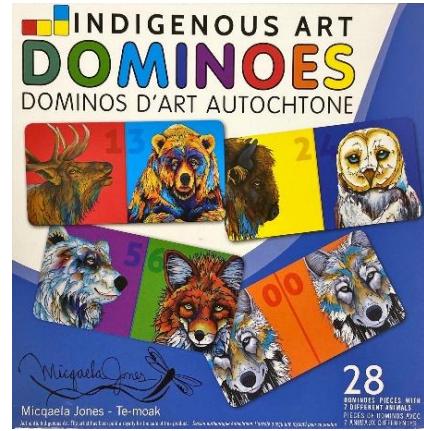

Competitive

Ages 2+

Playing time: 10-15 minutes

2-4 players

No reading required

In this game, players are trying to be the first one to get rid of all their dominoes! After the first domino has been placed on the table, players take turns putting down a domino that matches the illustration, number and colour of the domino half at either end of the domino chain. If a player does not have a domino that they can put down, they must draw from the pile. Who will get rid of all their dominoes first?
