

Quick Start Instructions

Little Bus Lotto (2- 4 players)

How to play:

1. Choose one of the 4 coloured buses.
2. Take all of the little blue cards with animal passengers and flip them over so you can't see who they are and mix them up.
3. Take turns flipping over one animal card at a time to see if it's on your bus. If it is, put it on your bus over the matching animal.
4. If it's not, make sure everyone has seen it and turn it back over. Now the next person gets to go.
5. The first one to find all their faces and fill up their bus with passengers, or whoever gets the closest, wins!
