Build a bustling woodland town with your favourite critters as you prepare for the grand seasonal parade! In My Lil' Everdell, players take turns placing their own forest Friends on action spaces to gather resources (resin, twigs and berry tokens) and playing cards to add critters and buildings to their town. But watch out – action spaces are limited, and the cards you need might be taken by others before you can claim them. Score points by playing cards that complete parade lineups and achieve special forest objectives. The player with the most points at the end of the game from their cards and parade and point tokens wins and leads the parade through the heart of Everdell!
