

Quick Start Instructions

Old MacDonald Lotto (2- 4 players)

How to play:

1. Each player chooses one of the 4 farm playing boards.
2. Take all of the little blue cards with farm items and the 4 farmers and spread them out face down in the middle of everyone.
3. Take turns flipping over one **small farm item** card at a time to see if it's on your farm board.
 - **If it's not**, make sure everyone has seen it and turn it back over.
 - **If it is**, put it in your farm board over the matching image.
4. Once you've found all the farm items for your farm, find the **farmer** for your farm.
5. The first player to find all their farm items and their farmer, or whoever gets the closest, wins!
